2015 Suncoast PCA President

Spring is in the air! I can feel it and I'm sure you can, too. I'm always a little more motivated during this time of year to get out and enjoy the sunshine and riding around with the top down.

Recently, I attended a national board meeting in the Baltimore area and visited the National PCA office and met all of the staff there. It was very interesting to see the history of our club and the importance of the regions

# The President's Message

## Spring is in the air

and our events. We continue to have healthy growth year after year and also continue to be a financially sound organization. I enjoyed it tremendously and learned much about our club.

Last month, I touched on the Club Coupe and it being the 60th Anniversary of Porsche Club of America. What I didn't elaborate on was that Porsche Club of America is celebrating 60 years of fun, fabulous cars and amazing people. The 60th Annual Porsche Parade will be celebrating this in grand style in French Lick, Indiana, from June 21-27, 2015.

A series of special events are in the works at French Lick that will pay tribute to the cars and people who have made us the greatest single marque sports car club in the world. The 60th Parade will rightfully pay homage to

the members and events of our past, but will also celebrate the club's newest enthusiasts who will shape our future. Registration is open so don't miss it this year!

Have you checked out our Goodie store? Tori Lewis has put together a fine collection of clothing that is online and ready for you today. The choices include a ladies polo shirt, and men's polo shirt, a ladies camp shirt, a men's camp shirt, a ladies jacket, a men's jacket, caps, and a visor. Show your colors today! Check them out on [suncoastpca.org](http://suncoastpca.org) and find the Goodie Store under the Marketplace link.

Don't miss our many activities coming up – socials, Driver's Education, Autocross – register / RSVP early as many of them sell out!

See you in the corners!

By TORI LEWIS

Great news! The Goodie Store is now open for business. An on-line only store, check us out at [Suncoastpca.org](http://Suncoastpca.org) and follow the Goodie Store link. We are starting with a collection of shirts, jackets, hats and visors – each with the lovely Suncoast sunset insignia.

And for those of you who want a personalized item, it can be customized just for you with

your name or your car's name embroidered on it. Forget your name-tag for the Porsche party? No problem. It's already there on your shirt.

For ordering, contact Apparel World. Their information is on the Suncoast PCA web-site and here on page 9. Check us out! We will be adding more items during the year so keep looking! *Pictured at left, Tori Lewis in a PCA all season jacket. Photo by Terry Richards.*

# IN THE CORNERS

By MISSY TEASLEY

Welcome April and warmer days. I believe that our northern friends picked a great year to come south. I think of the record snow and smile as I look at the sun coming up at dawn and going down at dusk. Having family in Alaska, I have to admit that watching the snow fall is a beautiful sight, especially when one is sitting in front of a warm glowing fire while sipping hot chocolate - or whatever!

Wednesday, April 15 - Date your Porsche night at Ozona Blue, located at 125 Orange Street, Palm Harbor, 34683. Check the website at [ozonabluegrille.com](http://ozonabluegrille.com) for information about the restaurant, menu and happenings. This is a new location for our Date Your Porsche Night evenings and was recommended by a club member. Thanks for taking an interest. Any and all suggestions are requested and welcome.

The weekend of April 18 will find the enthused drivers arriving at Sebring International Raceway for a DE driving session. Always a fun time to watch the drivers move about the track getting more and more speed as they push to move up a color or so. Good luck to you all and have a great time while learning a new skill safely.

Continuing on with driving, April 19 will find the autocross group at Brooksville Tampa Bay Airport. This is another exciting speed driving event. Enjoy the day.

And this just in - on Saturday, April 25, there will be a Poker Run sponsored by Bert Smith, at the dealership at 9:30 a.m. Porsches only for this run and slots are limited. First car goes out at 11 a.m. and you MUST RSVP to me at [missyteasley@aol.com](mailto:missyteasley@aol.com) or you won't be able to participate.

We have several new members, some from other regions and some who have been members for a while and are getting back active in the club. Welcome to you all. I have been asked about Date Your Porsche Night. It is usually the third Wednesday night of each month, and we meet at a restaurant for dinner and visiting with club members. We pay our own checks and park our own cars. We do not have a program as such but at times we do have prizes for those who can answer trivia questions. I ask that you RSVP to me at [missyteasley@aol.com](mailto:missyteasley@aol.com) if you plan to attend. I will acknowledge your email.

We have dealer socials and other fun things as well. Some social events have limited seating. Limited seating requires a confirmation to attend. Just a head's up: If seating is limited, email or call me to get your name on the list quickly. Check the website and or Porsche Profile for upcoming events.

I hope your gardens are growing and producing. I have tomatoes, peppers and one eggplant. My flowers are beautiful. Can't ask for anything more.

# The Membership Starting Line

By LARRY MENDEZ  
Membership Chair

As part of my duties each month, I send out an email reminder to members who are coming up for expiration. Usually, the replies state “I have already renewed” or “I just signed up for 3 more years.” Those are the ones I like receiving! The ones I don’t understand go something like this: “We don’t seem to make it to any of the

events so we don’t see a need to stay a member.” Our club has one of the largest and most diverse event calendars I have seen. Everything from Drivers Ed, autocross, Date Your Porsche Night, wine tastings, golf tournaments and most important, fundraisers for several local charities are offered. If you have not attended one of our events, make it a point to attend at least one this year.

In February, we had the most highly attended Drivers Ed at Se-

bring – 223 drivers! Additional events in which you can participate or observe are the autocross, Wash & Shine at Festival of Speed, polo matches, golf tournaments, sporting clays event, and the 12 Hours of Sebring.

We have another two-day DE scheduled in April, and since the last one sold out, sign up early. If you are hesitant to take your car on the track, just come out for the day, meet fellow members, check out the wide variety of cars, and talk to those who have taken the plunge. You’ll enjoy a special time with others who share your affection for Porsches!

## On the cover...

When Past President Page Obenshain was waxing his 2014 Cayman S one fine day this past fall, he got carried away and thought art could be a temporary part of the wax job. It was. The swirls on the Agate Grey hood do look like a work of art.

Do you have a photo you think is worthy of a *Porsche Profile* cover?

# EDITOR'S NOTE

By ALICIA NORDQUIST  
*Porsche Profile* Editor

As you read through this month's issue of *Porsche Profile*, you'll see how much PCA and the Suncoast Region have to offer its members. Our President Jill Perry, Social Chair Missy Teasley and Membership Chair Larry Mendez do a good job of bringing your attention to our regular scheduled events in their messages and we try to do a recap on past Date Your Porsche Night, Autocrosses (thank you Brian West) and DEs (welcome Chief Track Instructor Amy Riches) in regular columns and Remembrance of Things Past.

I find the tips that DE Tech Carlos Debonis regularly shares with us in Tech Tidbits very interesting – for me, especially this month, since I recently picked up a hot 911 Arctic Silver cab (I'm in heaven).

Reporting on 48 Hours at Sebring is a daunting job, so we don't really touch on the scope of it in this magazine due to space constraints, but thanks to Rich Tillotson for giving us a racer's perspective on page 15.

And talk about travel. Check out Escape to Rushmore in South Dakota in October on page 17, and, of course, the ultimate Parade in French Lick, Indiana, in June. Gas up and get on the road!

And I can't forget our staunch supporters – our advertisers. This month we highlight Tree of Life of the St. Petersburg area. All of our diverse and quality advertisers are worthy of your patronage.

And speaking of advertising, so far we do have the inside back cover available. Think of it: a full page ad in 11 issues targeting Porsche people for a one-time rate of \$2,156.25 (pro-rated). That's a bargain. Let me or Ryan Johnson at [RPJohnson5@gmail.com](mailto:RPJohnson5@gmail.com) if you're interested in the inside back cover or any other ad size (see page 3 for rates) in *Porsche Profile*. It's the people!

PCA SUNCOASTERS' CHANCE TO LEARN FROM A PORSCHE EXPERT:

# TECH TIDBITS

## Integrity of the ignition switches

By CARLOS DeBONIS  
DE Tech

You know that solid "klunk" you get when you pull the key out of your 996/986 or earlier Porsche? That's the sound that the steering wheel lock makes when it is engaged. If you are not hearing it, then the electrical portion of the ignition switch may be starting to fail.

When this happens in 964, 968, 993, 986 and 996 cars, the electrical system is still powering the air bag and climate controls (and navigation system, if equipped) and can draw the battery down and eventually kill the battery.

On earlier cars as far back as 1984 Carreras and 928s, the "comfort relay" will keep the power windows on. The comfort relay's job is

to allow you to raise your windows if you've pulled out the key but not yet opened the doors. Eventually, the car can have intermittent problems, like the a/c or the radio won't come on.

# The 22nd Annual 48 Hours at Sebring: Recap From a Racer

By RICH TILLOTSON

Well, let's start by talking about what everybody talks about and no one does anything about - the weather. If you sat down and thought long and hard about the perfect Florida winter weather to run a race, I doubt you could come up with the great weather that we received for our race weekend: nights in the 40s and 50s, days in the low 70s with plenty of sunshine and a cool breeze. Of course, inside a race car the environment is a little warmer and intense.

This year's race had four sprint run groups, with about 60 cars taking the starting green flag in each group, and three enduro run groups. In fact, there were so many spec Boxster entries (27

I think), that they and the 944 spec cars got their own race run group in the sprints - the Orange run group. This made for some real close racing in that group. The Green run group consisted of most of the faster stock class cars, and the Red race group had a lot of the Caymans and late year 911s that are getting faster every year. And then there was the Blue race group with mostly Porsche Cup Cars from the 996 Cups all the way up to the new 991 RSRs that you may have seen at the 12 Hours of Sebring pro race in March.

Among us amateur drivers, there were a few names you might recognize as they are pro drivers most of the time, but come by our club race to gain seat time, have fun, embarrass us amateurs

or maybe all three - drivers Patrick Lindsey, Andrew Davis, James Sofronas, Jim Norman and Randy Pobst. I was fortunate to meet up with Randy Pobst who was gracious enough to sign the dash of my 2000 SuperCup race car. This was meaningful to me as Randy drove my car in the Porsche SuperCup race at Indy in support of the F1 race in 2000. Love the

history of our race cars and the experiences the pro drivers had in them.

As in past years, the few minor incidents on the first race event day, Friday practice, I think had a lot to do with the adrenalin of getting on the track, especially for our drivers from up north who mostly put their cars away in October or November and bring them out again for their first race with us some four/five months since last racing. By Saturday, the real races began. Each race group had two sprint races on Saturday. The rest of the weekend went well for me and most of my fellow racers. By Sunday's enduros, only the strong survived and, again, the weather was great for all the 90-minute enduros.

I must mention the great effort provided by all the race volunteers who so graciously work at various jobs during the weekend so we racers can go out and play. In addition to the racers, there is a DE group for the experienced DE drivers from all over the country.

If you have never come out to this race, plan to do so next year. It is truly an amazing collection of Porsches to see up close and at speed. You might even see a rare giant flamingo splitting the race cars as they enter the track from the grid. Now, that is a sight to behold.

*Thank You*

Special THANK YOU to the Suncoast Porsche Club of America for Sponsoring our Annual Ready for Life Christmas Party. Your GENEROSITY & GIVING SPIRIT provided HOPE to so many young adults that have "aged out" of the foster care system!

***Come to Escape to Rushmore and enjoy Rapid City and the Black Hills for awesome sites and drives October 1, 2, 3.***

Escapes are lots of fun!! Zone 10 and Nord Stern are excited to invite Porsches across the nation to come to ***Escape to Rushmore*** in the Black Hills of South Dakota.

- Rapid City, South Dakota, is the ***Escape 2015*** headquarters. When you come here, you have surprising variety in activities, challenging drives, and many things to see and do. You'll have good places to stay, eat and shop, too. Holiday Inn Rushmore Plaza and the City Park adjoin the Civic Center and are headquarters for most activities.
- Mount Rushmore is just 24 miles away; this inspiring patriotic symbol has 60 foot faces of Presidents Washington, Jefferson, Roosevelt, and Lincoln. You can walk around the National Memorial alone or on guided tours. You'll see impressive views of the sculpture that have national and international recognition and reputation and you can take spectacular pictures.
- Crazy Horse Memorial is an internationally-known mountain carving that will be 641 foot long and 563 feet high when finished. You'll visit a representation of Crazy Horse, a strategic tribal leader in the Battle of the Little Big Horn. You can spend time in a beautiful museum of artwork.
- This area has internationally popular tourist geography and you have an amazing range of touring and driving opportunities. You can enjoy significant geography changes from the Badlands in the east to the Black Hills and Rapid City in the center to the natural Devil's Tower in the west.

Here are a few of many things you can choose from when you come to ***Escape 2015***:

- Great tourist attractions, tours, drives and group activities in a limitless variety of geographies with scenic touring and enthusiastic driving in ever-changing geography and on some very hilly, twisty roads
- Eight or more organized drives and activities to select from each of the 3 days
- An informal car show competing in a beautiful park where participants select winners
- Technical classes with leaders from a variety of Porsche backgrounds

With everything available in the Black Hills area and Rapid City, this ***Escape*** offers you lots of opportunities in socialization, tourism and challenging driving.

Find more and ever-changing information on the [escape2015.pca.org](http://escape2015.pca.org) website. Registration will open in July shortly after the Parade in French Lick, Indiana.

***Put Escape 2015 on your calendar now and come to the Black Hills October 1-3.***

## FROM THE CTI

By AMY RICHES

The 2015 DE season is off to a great start. At our February 21 & 22 event, we had a record number attending with more than 220 cars. I send a huge thanks to all the participants and instructors for coming out. The weather was perfect and there were many of our northern friends down to escape the great white north and enjoy some track time.

Registration is open for the April 18 and 19 Drivers Education session at Sebring and the May 9 event registration will be open soon. Check the web site SuncoastPCA.org for updates. Please register early so as not to miss a spot!

See you at the track!

### WHAT'S AMY DRIVING?

No one guessed in what car Amy sat in the photo in the February issue (a 2014 Mercedes Benz CLS63 AMG), so maybe this month's car will be easier. The first person to email Amy at amy@autoquestcars.com with the correct make and specific model of the photo above wins a free DE!

# Black Editions Star

By MISSY TEASLEY

Take this into consideration:

- Only 1,911 Black Editions were built;
- Five-hundred are believed to be in the United States;

- Four of those ended up in the same region;
- Three are located in Tierra Verde.

Recently, the Black Edition Porsches and their owners had a convention of sorts and the inspection of each auto-

mobile was a subject with much conversation. I have heard it said, and read many times, that it is not the cars; it is the people. With these four men and their cars, it was about the cars. Do not be surprised to see these four Black Editions all spiffy clean and smiling, one behind the other, at upcoming events.

# Porsches & Polo

## Graces Sarasota Polo Club

This past February, Porsches filled the Sarasota Polo Club grounds in Sarasota, as it has for many years. Hosted by Suncoast Auto Group, the annual event dazzles Porsche lovers from surrounding areas with an extensive display of cars throughout the day, a Porsche Parade at half time, a great buffet catered by the Polo Grill, and, of course, the games. Thanks to Margarita Komyati of Suncoast Auto Group for coordinating the event.
