Editor: WILLIAM D. MANGOLD, JR., 2496-57th St. N.,

Meetings: The OCTOBER meeting will be held in the
Skyline Room at the Pinellas International
Airport at 8:00 p.m. There is a restaurant
here and a bar, so come early and have
dinner with us. Also, if you would like to
have a drink during the meeting, same is
available.

Last Month's

Meeting: Again there was a disappointing turnout,
with the usual "old faithfuls" being present. The
meeting with held at First Federal Savings & Loan in
Tampa with about 10 persons present. A discussion
was held on how to improve the attendance at the meet-
ings and events. As there are only a few active members
who come to every event and meeting, it is difficult
to arrive at an answer to this problem as we do not
have any idea what our other members want out of
"their" club. It seems strange to me why we have some
50-60 members in our region and the actual work is
left up to 3 or 4 persons. If the club is to be
enjoyable, then we need the assistance and following
of all of the members. If you have been staying away
from our meetings and events due to the way in which
the club has been run, then send us a note telling us
where we are going astray and how we can make the
club a better one. Better yet, why not come to the
next meeting and tell us. In all fairness, if you
cannot do these two things, then it would be best if
you would send a note stating that you are no longer
interested in the club and do not wish to take part in
any more of the activities. In this way, we will have
a more definite idea on where the club stands and what
action may be needed to remedy the situation.

PCA Activities: On Sunday, October 23, PCA will host
an autocross at the Electronic Communications Parking
lot at 72nd Street and 15th Avenue North in St. Pete.
Registration is at 12:30, with the first car off at
1:00 p.m. sharp. \$2.00 for club and council members
and \$2.50 for others. We have a reputation for putting
on good speed events, so lets all turn out and make
this a top event. We've had excellent turnouts at
the last couple of autocrosses we've put on (although
we need to see more PCA members there). This will be
an excellent time to sharpen your driving for the
Parade.

On October 28 and 29, the Third Florida Porsche
Parade will be held in Ft. Lauderdale at the Statler
Hilton Hotel. (There will be discussion on this at
the next meeting at the Airport)

Last Month's Activities: Well we finally had our
July picnic in September. It was a short TDG (time,
distance and guess) type rally starting in Tampa and
ending in the Withlacoochee State Forest. Again, a
tremendous effort was done by Bill Both, who laid out
this rally, which was not too short. IT SEEMED LIKE
AN INSULT WHEN 5 ENTRANTS STARTED, ESPECIALLY WHEN
THE EVENT HAD BEEN WELL ANNOUNCED. SPECIAL FLYERS
ON THIS EVENT WERE SENT TO ALL OF THE MEMBERS TO NO
AVAIL. Anyway, the rally went through some back
(but well paved roads) and gave most of us a chance
to see some of the state we had never seen before.
The rally ended in the Forest where a picnic was held.
Only one car did not make it (blush) to the finish.
The standings are as follows:

- 1st PAUL and ALEX JOB
- 2nd ED SHERMAN and EDITH SHERMAN
- 3rd MR. & MRS. HERBOLSHEIMER
- 4th JOE GRISHAM
- 5th BILL and DOROTHY MANGOLD (DNF)

Would you believe that we drove 200 miles trying to
get back on course. Our thanks to the event workers,

On Saturday evening, October 1, my wife and I
went to a meeting of the Central Florida Region at
Elwood Motors in Daytona Beach. While there we had
a chance to talk with the various committeemen from
the Gold Coast Region about the upcoming Parade.
Some of the material covered was:

There will be five officials from the National on
hand. Their main reason for coming is to look over
our operation for a possible site for the National
Parade. I also understand that there will be several
officials on hand from Porsche Car Southeast and
Porsche of America Corporation.

Door Prizes: In a few days you should be receiving
the last mailing for the parade, which will include a
picture of the mountain of goodies to be given away.
I think the last count was 128 separate items for the
general drawing, with more items arriving each day.
This does not include two prizes which I understand
will be given to each entrant. The items to be given
away are not cheap by any means - radios, driving
lights, wood wheels, etc. If you want to, you might
think of the weekend this way. Each entrant must pay
\$7.50 registration (even if you enter only one event).
There are four events included in this \$7.50 price,
so the price per event is \$1.87. Now think of the
average price for an event you will attend (\$2.50-
\$3.50). Next take the room - \$13.00 per night for
the Statler Hilton (no extra charge for children in
the same room). Now think of the two prizes everyone
will receive for coming. Next, Porsche Car Southeast
will host a cocktail party, and if your capacity is
such, you will be able to get back the price of the
room in drink alone. So now, if you are lucky enough
to take a door prize or two (128 prizes now and it is
doubtful if there will be more entrants than prizes),
you will have made out very nicely. If this doesn't
appeal to you, just think of the nice people you will
meet and the really sharp competitors you will be able
to go up against. The events will be as follows:

Autocross: This will be a medium speed event,
with the emphasis on driving ability. It will be a
straight forward event with no gimmicks. Cars will
be grouped into classes according to engine type.
Very little will be allowed in modifications for a
car to stay in its class. Any car suspected to be
modified (this includes just about everything except
an exhaust system and velocity stacks) will be placed
in a separate modified class. Cars will be given a
plus 10 per cent from the factory specifications, but
if found to be over this they will be moved into the
modified class. By the way, I understand that a
chassis dyno will be used to determine the power output
of a car in question.

Gymkhana: This will be a skill and ability event.
It will be straight forward, with no gimmicks and a
minimum of backing up.

Concours de Elegance: Also straight forward and
will be judged by Porsche Car Southeast and executives
from Classic Car Wax.

Rally: A pure TSD Rally with no gimmicks.

REMEMBER - WE NEED YOUR HELP TO
MAKE THIS CLUB A SUCCESS. A CLUB
IS ONLY AS GOOD AS THE MEMBERS IN
IT, SO COME TO THE OCTOBER 18
MEETING AND TELL US HOW YOU WANT
YOUR CLUB TO BE RUN.

November Meeting: The November meeting will be held on November 15 at the home of Bill and Dorothy Mangold, 2496 - 57th St. N., St. Petersburg, at 8:00 sharp. Please try to attend as we have many important matters to discuss. There will be slides of the Florida Parade shown (taken by rank amateurs). We are also going to do some planning on future activities.

Last Month's Activity: An autocross was held by PCA October 23 at the ECI parking lot in St. Petersburg. 17 entrants were on hand for the event, and ample time allowed everyone to compete for a total of 11 laps around the course. As usual (at least for the last 3-4 events) top honors went to members of the IMPERIAL POLK COUNTY SPORTS CAR CLUB with LEN BUSBEE taking fastest time of the day in a Lotus. Second overall went to DARYL SPRINGER in an MG Midget; third to BUDDY MITCHELL in a Jag XKE. Class winners were BILL MANGOLD-1 in ABC (Porsche N) - RAY KELLY 1st in D-H in Sprite - HENRY HOLLOMAN 2nd in D-H in a Corvair. Ladies class was won by JEANNIE THATCHER in an Alpine.

Third Florida Parade: On October 28 and 29, the Third Florida Parade was hosted by the Gold Coast Region at the Statler Hilton in Ft. Lauderdale. 60 entrants tried their hands at the four activities. Five National Officers were on hand - Dr. Spanjol, Mr. Propp, Dr. Henry and Mr. Kuell and Mr. Carroll. Various manufacturing firms represented by their personnel, such as Kendall Oil. The event was extremely well organized by the Gold Coast Region and our thanks go to all who had a hand in the planning and running of the event. Those of you who could not attend sure missed an interesting weekend. On Friday night, a barbeque was held for early arrivals and then slides were shown of the 11th National Parade in Colorado Springs this summer. On Saturday morning the Concours de Elegance was the first event on the schedule. Some 19 cars lined up for the judging by several of the National officers, personnel from Classic Car Wax and members of the Antique Car Club of America. Trophy winners are as follows: 1st-Al & Dot Brown in 1957 Porsche Speedster/2nd-Charles J. Wick in 911/3rd William D. Powell in 356C/4th Jim Pete in 911. After lunch we went to a large parking lot where a gymkhana and an autocross were held concurrently. The autocross was a fairly high speed event with emphasis on driving ability and the gymkhana was a tricky event in which drivers had to go forward into a small garage, hitting only one pylon inside the garage, then backing out into another garage, again hitting only one pylon. This was repeated in several garages. Results of the autocross, gymkhana and rally are as follows:

Gymkhana

Suncoast Region presented two bronze plaques - one to Burt Propp and one to the person having the lowest overall point standing. The one to Burt Propp was presented to him for the outstanding work he has done during his term of office as President of PCA National. These handsome plaques were sent to us by George Scott, our former President, who is now with the Air Force in Korea.

I guess by now most of you have noticed a change in the format for our newspaper. This is an economy move on our part as the cost of the old paper was getting to be prohibitive. We are able to have two sheets such as this printed for \$7.00 plus approximately \$5.00 for postage, or a total of \$12.00, compared to the \$30-\$35 per month which we were paying for our old paper. Also, in those months which we do not have quite as much to say in our paper, it can be done on a legal size sheet at a cost of \$9 including postage. If anyone has any ideas or suggestions for getting out the paper on a less expensive basis, please let us know, and we will continue to investigate other methods.

This Month's Activity: PCA will host an autocross at Electronic Communication's parking lot at 72nd Street and 15th Avenue North in St. Petersburg. Registration is at 12:30, with the first car off at 1:30 sharp. \$2.50 for club and council members and \$3.00 for others. We had a pretty good turnout at the last autocross and everyone enjoyed themselves, so come on out and support your club. Almost forgot the date - November 27, 1966.
