The Porsche Profile is the official newsletter of Suncoast Region of PCA. Statements appearing in the Porsche Profile are those of the author and do not constitute an opinion of the PCA, Suncoast Region, or the Porsche Profile. Mail articles to the Krekorian by the 20th of each month for publication.

FIRST GEAR

Gadzooks, he replied. Is it that time again? Thank God the Krekorianians reminded me to pen my thoughts. Michele, polite as usual says "David where is your article?" Mark, the, silver tongued devil, yells in the background, "Hey, you wanta ride in my Porsche?" Smart guy (any other descriptive terms would be in poor taste and unprintable). For those of you who do not know, I sold the SC over the week-end to a genuine Porsche Pusher from England who is currently living in Miami. He rallied in England (the fast, over land type rather than our on road type) and enjoyed the benefits of driving a Porsche as they should be driven. Special thanks to Chas Green (seldom seen Suncoast member from Sarasota) for the introduction.

What's next? Who knows but its got to be a special car. Even more special than "just" a Porsche. This will take some careful thought but when I see it, I'll know it's right.

My apology's for missing the pig roast. I hear it was a great event, thanks to the Fitzpatrick's generosity. Unfortunately only a very few people were interested in the concour school. Hopefully, more people will agree to be "taught" at the autocross school. Remember, these events are designed to help you improve your skills in these areas to hopefully bring you to your highest potential. I realize that its very frustrating to many of you to compete and not win. Some don't even come close. It is at times difficult to remember that all the winners you see, Brooke Ballagh on concours, Jimmy McSheehy Jr., on autocross, and the Rileys on Rally to name a few - all were novices at one time. All

finished near the end at several times, but all were interested in practice, participation and hard work. Those qualities make successful competitors. Some of us will not always be winners, but we can learn to have fun and its more fun to do your best no matter where you finish. So beginners, don't be afraid to participate. No one is "watching" you or making fun of you. We've all been there. (My first autocross I lost to a stock Pinto while I drove a 911T. Talk about a novice! But look how I've improved - I beat Pintos regularly now!)

Hope to see you all at the Autocross school and our dinner meeting at Victoria Station.

Welcome to our new members mentioned elsewhere. You're now a part of the best and fastest growing region in the south.

RESPECTFULLY SUBMITTED

The April Board of Directors meeting of Suncoast Region PCA was held on April 3, 1979 at Riverbrook Apts. Clubhouse. Vice President Larry Huffman presided.

The old business covered included:

- 1-There will be an article in the Profile by Dave Stoops to cover the Membership Drive
- 2-John Fidorenko will put together an inventory of club assets.
- 3-Due to the lack of initial responses name tags now cost \$3.00 instead of \$2.00

In the area of new business Larry covered the upcoming events:

- 1-Fitzpatrick Cookout & Concours school April 21st
- 2-Autocrss School May 6th either at Schlitz Brewery or the Dog Track
- 3-Rallye school-June 9th
- 4-National Parade-July
- 5-Fireverksfest-August 3, 4 & 5

The meeting was then turned over to Brooke Ballagh, Fireverksfest Chairman. Wally Joiner discussed the Friday night party reporting the cost of serving hors d'oeuvres. It was decided that since the price for hors d'oeuvres was comparable to the price of last years barbeque that Wally would renegotiate the pricing with the Bay Harbor Inn. We will only have hors d'oeuvres if it is more economical.

The schedule of events was discussed the events will follow the same schedule as last year with minor time adjustments. In addition cars will be pre-teched for the Sunday Autocross Friday evening & Saturday morning. The banquet will be held on Saturday. Trophies will be presented after the Autocross on Sunday.

It was further announced that a person will gain no additional points for full Concours. Eight to ten volunteers are needed for the Rallye. Short wave or CB radios are needed for the Autocross.

Due dates for the event Chairman were re-identified.

In the area of new business Phil Nolen raised the question of FPAS rules versus PCR rules. It was identified that PCR rules guidelines only.

There being no further business the meeting was adjourned.

MEMBERSHIP CONTEST

Membership contest May 1st 1979 - December 31st 1979 "Help Suncoast Region Grow". There are a lot of Porsche owners out there that are completely unaware that there is a Porsche Club. So we need your help to find them. In doing so you may even win a great Porsche book, "Excellance Was Expected". This book is the prize to the Suncoast Member that is responsible for bringing in the most new members.

There is one main rule-

YOUR NAME AS SPONSORING MEMBER, HAS TO BE WRITTEN ON THE RIGHT HAND FLAP OF THE NEW MEMBERS APPLICATION

So get to work and start talking our great club up to all Porsche owners and call if you have any questions or need applications.

CONCOURS D' ELEGANCE - FIREVERKSFEST

This may seem a little early to begin asking for volunteers but think about it....in only four months Suncoast Region will host their 3rd Annual Fireverksfest.

As concours chairperson for 1979 I am really going to need your help and guidance. I have participated in several concours and last year at Fireverksfest I assisted Joe Rodriguez with the concours scoring, but chairperson-this is a new and challenging position for me! I know with all your assistance that we can make this year's Concours D' Elegance the most successful yet!

I need volunteers to judge, keep score and to assist with the master scoring. Please contact me or Larry at the upcoming meeting or call 961-4446 (Tampa).

Thank you
Fran Huffman

TECH TIPS

If you have a capacitive discharge electrical system on your Porsche, it is important to keep the points clean. As there is little voltage across the points, dirt and oil migrate on the point faces, and can act as a short. A good indication of this problem occurring is that the tachometer will be erratic and fluctuate at idle. Solution: clean points with fine emory cloth, then run new, white bond paper between the points to finish the cleaning. Be sure to check the point gap; this is very important. Actually, do this first, it could be the entire problem.

Be careful not to get particles of the emory into the bottom-advance-part of the distributor out of the engine. The smaller the point gap, the less contact wear is experienced and Bosch allows gaps as low as .012" or .3mm.

The above artical was taken from Up-Fixin der Porsche, Volume 4. Up-Fixin der Porsche volumes 1 thru 4 are reprints of all technical data from Porsche Panorama. They span from 1956 thru 1976 and are available from the Panorama. For the wealth of information the price is nominal.

SECOND GEAR

(In Absentia)

After attending virtually every Suncoast PCA meeting for 2 years, it has been difficult to have had to miss so many in the past year (Due to a change of employment). So just to make sure I am not forgotten or misunderstood, I decided to write a great big

HELLO!

I Miss You!

I gather the autocrosses, events, meetings and pig roast (which broke my heart to miss-I adore pigging out on pig!) have been outstanding. To be sure, Dave appreciates all the willing assistance this year.

My warmest greetings go to our new members, 99% of whom I've not had the pleasure of meeting. To you, I wish you the great joy, as I have experienced, in being a part of this supportive, positive, fun-loving and fun-producing group of PCA ers. It's tops in recreation of any kind, as soon you will see (if you haven't already....)

To Karlene, Dean, Brooke, Brenda, Fran, Larry, Bob, Joni, Wally, Fritzzi, Charlie Huffman, The Breedings (Citrus Region), Stan Pearlman (Goldcoast), Cheryl, Jim, Carol, Joe and all the kids and all those crazy, gorgeous sensual cars.

I LOVE YOU!

Patty

P. S. To our Profile Editors (whom, lucky me, I do see each month!) for whose job I sincerely give thanks. Keep up the good work. The Profile has been wonderful.

\$50,000 Showroom Stock 924 Program

Porsche 924 racing in this season's Sports Car Club of America Showroom Stock A class can be expected to intensify with the announcement by Porsche+Audi of an awards program totaling \$50,000. The prize money will be distributed for victories in individual races as well as championship wins.

P+A will pay the winner of each of 51 National races \$300, with \$200 going to a 924 driver finishing second. Winners of a Bonus National will earn \$500; second place will pay \$300.

At the championship level, the seven SCCA Divisional SSA titles will pay \$1000, while \$3000 will be awarded for a national championship, \$2000 for second and \$1000 for third.

In announcing the awards, Josef Hoppen, P+A Manager-Special Vehicles, said, "We feel that the SCCA's National Championships are as important to us as our professional racing involvements. We're especially glad to give dealership racing teams this incentive to get into racing, as well as being helpful to young, unestablished racers."

Racers claiming awards should send a copy of the official results to Special Vehicles Dept., Porsche+Audi, Englewood Cliffs, N.J. 07632.
