The Porsche Profile is the official newsletter of Suncoast Region of PCA. Statements appearing in the Porsche Profile are those of the author and do not constitute an opinion of the PCA, Suncoast Region, or the Porsche Profile. Mail articles to the Krekorian by the 20th of each month for publication.

# FIRST GEAR

This is beginning as an abbreviated entry but the way I B.S. it will probably be as long as usual. We have had some super "happenings" over the past month. First, we had our picnic at Fort Desoto Park. It started out like a rally with no instructions! It seems we miscommunicated as to locations but finally ran into several other Porsche people who roosted in a new location. For those of you who are still looking for the picnic, its over now. You can come on home! After chowing down on some excellent chicken, beans, potatoe salad, etc, and several glasses of Phil Nolen's "non-alcoholic" swamp water (joke), our illustrious softball mentor "Sparky" Krekorian said play ball. Trying to decide on teams was the hardest decision of the day. We decided to chose forks and divided teams into the "Two fork or not two forks". Captained by slugger George Osborne and the "always four a forks" led by "Charlie hustle" Larry Huffman. Fortunately, I mean unfortunately, the ball was hit in the woods by a Two forks batter just as we (the four forks) were beginning a rally to over come their slight lead of 36 to 4. We would have tied them, I'm sure, by the next inning, honest. Even after the ball was found there seemed to be a hesitancy to play ball again. I'd like to think that it was because they were afraid of losing rather than the fact that we were all horribly out of shape!

Don't forget to participate in our upcoming game with WQYK. All those who show up will play so look for Marks details in another part of the Profile.

The second nice time was our dinner meeting at The Embassy. Although a little smaller than usual (41) we seemed to have a kindred sprit and really had a good time. Brooke Ballagh recieved a well deserved round of applause for his overall win at Sonnenfest.

We ended the evening with slides of the MacDill autocross and Sonnenfest. One of the favorite slides was of Suncoast Region members John and Gloria Biebloblocki's 1974 Red Carrera with BBS wheels that took Peoples Choice at Sonnenfest. A truly beautiful car. Mike Cheung also got the "raspberry's" about his well deserved autocross victory. The meeting ended with a big pow-wow over how to get to the national parade successfully.

Speaking of the parade, it probably will be in swing by the time you all get your Profile. Your fearless leader, although not participating (for a strange reason), will be there to root Suncoast on. For those not going keep the home fires burning because I think Suncoast is going to bring home the bacon!

One last thing about the Parade. Fran Huffman and Kathy and Phil Nolen have worked their little fingers to the bone hooking a rug of the Suncoast logo to be entered in the Parade art show. It's really beautiful people and obviously a lot of work. I'm sure it will take "first in class" in the modified rug division! Go Suncoast!

In closing, welcome, new members, to Suncoast. Pat yourselves on the back for joining the best PCA region in the world. Your participation is expected and looked forward to!

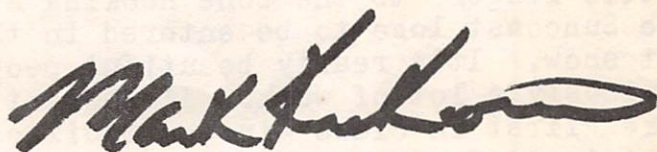

David Stoops

# STRAIGHT AHEAD

Our first softball game will be against WQYK Radio on Sunday July 22. The game will begin at 10:00 AM. All interested in playing please be at the field by 9:00 AM for a warm up. Everyone who comes will play.

The game is at Mangrow Bay field off of 62th Avenue North in St. Petersburg. To get there from Tampa take 275 to 4th St. North. Go south to 62 Ave. North. Turn left at the Mangrow Bay complex. We will use the 1st field on the left.

Bring a bat and glove and we will see you there.

# CD's BS

David called the Board meeting to order at 7:49 p.m. At that time, he introduced Stan Pearlman, President of the Goldcoast Region.

He then asked for the Treasurers report. John Pidorenko, informed the members that all but one of the advertisers in the Profile have paid in full. Dave mentioned that we should receive our quarterly refund from National.

He told everyone of the Presidents meeting at Sonnenfest. Discussed the 1981 National Parade to be either in Ashville, N.C. or Nashville, TN.

Insurance was discussed, as there will be a vote at the Parade this year as to whether National should have the power to suspend a region for defiance of rules. It was agreed that David vote yes.

Brooke, suggested a letter be sent to find out if a passenger is allowed to ride on a drive thru as it is "instructional". He suggested that we have National clarify what "instructional". David said he would send a letter,

General future of the Florida Regions leadership was discussed. It seems that the same members are running events. The question was brought up as to how new members can be brought in to help in case the old members can't make it.

It was suggested that members now in charge of the different areas, recruit new members to relieve them next year.

F.P.A.S. was brought up. Should the three events be dropped or continued.

In lieu of the three minor events, it was suggested that all the regions get together and host a "Speed Weekend". A race track would be rented and the responsibilities would be divided among the Regions, or rotated with each region hosting the event every three years. It was decided that this matter will be brought up at the F.P.A.S. meeting at the end of this year. The three major events hosted by each region, are not to be effected.

Activities Chairman report: (See calendar for dates & events in detail) Oct. 13-14: We will have a car show at Pinellas Square Mall. We need a minimum of 25 cars. Contact Larry Huffman if interested in showing your car. Speed Weekend date for our region was discussed and tabled for further discussion at a later date.

Karlene Rowe talked about the membership drive. We now have 195 members, we are trying for 200 by Fireverksfest.

David Stoops then took the floor, discussed resignation of present Secretary. Resignation was accepted. David then opened the floor for nominations. Cheryl Davis was nominated to assume responsibility for the remainder of the year.

Wally volunteered to run a Rally in November.

Brooke discussed Fireverksfest. There will be two Fireverksfest meetings: 1.) June 20th at the home of Dean & Karlene Rowe at 7:30 p.m. July 18th at the Mid Rise Clubhouse (Wally Joiners) at 7:30 p.m.

A change in the 911 concours class was made. They will be as follows: 1965-1973 1974-1977 1978 & up. A follow up letter will be sent as the people register to let them know, as the registration forms have already been printed.

The meeting was adjourned.

## REGISTER NOW FOR FIREVERKSFEST!

Suncoast Florida Region is gearing up for the 3rd annual Fireverksfest, to be held this year on August 3, 4, & 5, 1979. Once again participants, family and friends will be hosted by the Bay Harbor Inn on beautiful Tampa Bay. In addition to the scheduled Porsche events, registrants can choose swimming, sailing or sunning at the Bay Harbor, or visit other Suncoast attractions such as Busch Gardens, and Sunken Gardens, or head to neighboring Sea World, Circus World or Disney World.

Activities for Fireverksfest will include full and surface Concours d'Elegance, Rally, and Autocross. The Autocross, part of the Porsche Autocross Series, will again be held at MacDill Air Force Base -- one of the best autocross facilities in the state! The social activities are equally exciting -- beer bust and dancing, and another Bay Harbor Banquet. Many door prizes have been donated from some of the nation's finest Porsche supporters.

Join us for a weekend of competition, fun and frolic in the Tampa Bay area of Florida! For further details contact Joni Phillips, 405 18th Ave. N.E., St. Petersburg, Florida, 33704, Ph. (813) 898-3014. Call 1-800-282-0613 or Tampa 885-2541 Before July 20 to make your reservations at the Bay Harbor.

## THE TURBO - With Apologies to Melville and Modern Medicine

Although a rare sub-species, the Turbo is a wellknown, powerful, and extremely fast land creature with incredible endurance. Its quite direct evolution from aquatic ancestors, such as the fish having a similarly spelled name, has long been unquestioned. This history accounts for its "whale tail".

Many students have been mystified by a contemporary phenomenon --- the proclivity of physicians to possess them. This can be simply explained by ordinary observation, and without license or literary legerdemain.

Doctors were formerly known as bloodletters for good reason. Their personalities and techniques have changed very little over the centuries. Even their complexes are like those of Captain Ahab. Therefore, although comparably wont to subdue the beast, they are equally unable to accomplish the feat.

Of course, none of this relates to podiatrists, except that everyone walks kind of funny around Turbos. No one wants to end up like Ahab, or to die trying to act like a doctor.
