It was almost a year ago when we started planning for Fireverksfest '79, and work began in earnest about mid-January. All the planning and hard work was worth it, though - what a super weekend! The weather co-operated and Concours, Rallye, Tech Quiz, Autocross, food, trophies, and door prizes were all just great. I'd like to thank all the chairpersons for putting on such a great event:

Wally Joiner - Hotel, Food & Drink

Joni Phillips - Registration

Fran Huffman - Concours

Gerry Curts & Wally Joiner - Rallye

Jim Owen, Charlie Huffman & Jimmy McSheehy
Autocross

Larry Huffman - Tech Quiz

Phil & Kathy Nolen - Door Prizes

Dean Rowe & Cheryl Davis - Trophies

Karlene Rowe - T-Shirts

Elaine Fitzpatrick - Scoring

Thanks also to everyone who pitched in to work these events - you all did a professional job. It has been a real pleasure working with all of you, and you can be proud of your part in Fireverksfest '79.

I hope all of you who attended Fireverksfest had a great time - we're glad you came and we appreciate your support. If you didn't make it to Fireverksfest this year, start tweaking and cleaning your car for Fireverksfest '80..... it just keeps getting better and better.

Brooke Ballagh

David called the meeting to order at 7:46pm.

Asked for treasurer's report. Not available at this time, as all monies from Fireverksfest were not in, and all bills were not yet paid.

Fireverksfest report: Brooke felt that this years Fireverksfest went extremely well, with very few mishaps.

Many comments were made as to the quality of the event. Brooke thanked all people who helped make it run as smoothly as it did.

A Fireverksfest meeting to critique the event will be set, so that next years event will be even better. We had 68 cars registered.

New business:

The Concour at Finellas Mall was discussed and voted to be cancelled after much consideration. It was felt that there would not be a good enough reponse and the facilities were not adequate. Larry will call to cancel this event.

A suggestion to hold an autocross school was brought up. Possible sight De Soto Speedway. To prepare for the Speedweekend event in planning. Speedway would rent for \$500 - \$600. Would be to much money to obligate the club for. It was brought up that most members would not want to pay that much unless a professional driver was brought in to teach. This will be discussed again at another time.

David will be appointing a nominating committee for next years officers. Would like to be able to give them a list of people interested in holding different offices so that they may chose from a list of interested people. Anyone interested in holding an office should contact David, or one of the other Board of Directors.

Discussion was brought up on how to get new members & old involved. The same people seem to be doing all the work for the events. If the work was distributed, everyone could enjoy the event and not have to work very long.

A suggestion was made that the President give out an award at the end of the year, to whomever he felt deserved the honor. This would be strictly at the Presidents discretion and would be an annual trophy. It was voted on and passed.

Meeting was adjourned.

About Those Fireverksfest Trophies!

The 92 spectacular trophies which were presented to you lucky winners at Fireverksfest 79 were hand thrown in two parts (the bowl and the stem-base) and then joined together while wet on the potters wheel, embellished with the hand made clay Fireverksfest cannon ball, the porsche crest and trophy designation and then fired in the kiln. They were then glazed with their appropriate color (first blue, second red etc.) and then refired to produce the beautiful result you all enjoyed or envied. The very talented artists who created those objets d' art are Chuck and Joan Fager. Chuck is an architect and Director of the Ceramics Studio at USF's Fine Arts College. Joan is his talented wife. Their work of similar size and quality I personally have seen sell for \$50 to \$100 -- so please handle your Fireverksfest 79 trophies with great care -- those of you lucky enough to have won one -- they truly are objets d' art.

FIRST GEAR

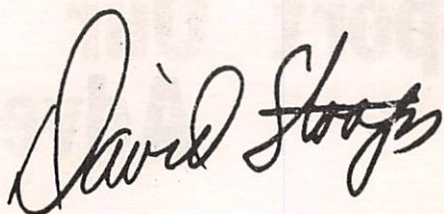

Thank goodness Fireverksfest is finally over!- and what a fantastic event. I think our final count was 64 entrants - a little less than last year, but considering the time of the year, the Parade, etc., I think it was a good turnout. Congratulations to all you winners and thanks to all of you who helped out. Results of the event are included elsewhere. (Check closely to see how the "concour fever contest" turned out between Krekorian, Joiner, and Nolen)

Our dinner meeting this month was graciously hosted by Dean and Karlene at The Loading Dock. The food and atmosphere, as usual, were fantastic. (Stop by there sometime for lunch) I think about 50 or so were there including new members and guests.

Some upcoming events are Citrusfest (details to be supplied later) at Daytona and our second annual Halloween Party at the Krekorian's. This years them is "Return to Golden Oldies".

Welcome to the Suncoast to our new members. I think you've helped to make us about 215 members strong! We look forward to your active support and participation. Remember though you need to make yourselves known, so don't be afraid to introduce yourself!

It's amazing! I hope everyone who participated in Fireverksfest '79 appreciated both the quantity and quality of door prizes as much as Kathy and I did. No, I'm not bragging about what a wonderful job we did - I'm praising our Door Prize Donors for their generosity.

In most cases all we had to do was send one letter or make one phone call and these PCA supporters were happy to respond. It was great fun: we would send off a batch of letters and just wait for the UPS man to bring the goodies. It was kind of like Christmas opening all the packages.

And what great gifts! When I look back over the list I am truly amazed.

Fellow Porsche - Pushers, these are your supporters. Without our sponsors and donors, an event like Fireverksfest would be impossible. I urge you to, in turn, support them. When you have a need for your car - look to them first. They all advertise in the Panorama and offer great prices and service. When you buy something from them, a note thanking them for their generosity, will go a long way towards cementing their support. They help us - let's show our appreciation.

PATRONIZE OUR SUPPORTERS!

Thanks to all for your help

Phil & Kathy Nolen

Fireverksfest Autocross!!!

Well it all started a little before day light with Randy Batten & Sherry, Charlie Huffman, Cheryl and myself setting up pylons by the headlights of my van. Before long the sun was up and several more people showed up to get the event going.

The course was FAST! Even the slow cars got going down that long straight. Thanks to Dave Stoops, Jimmy McSheehy and Charlie Huffman for laying out that fantastic course.

The ending was a little rushed because it looked like rain, lightening, storms, etc. approaching, but for the second year in a row the rain, lightening, storm, etc. just missed us.

A round of applause to all the course workers and timing workers for staying in that HOT sun all day. We gave very few reruns due to no timing errors. GOOD WORK!

Concours D'Elegance

Being Chairperson of my first multiregional event was a big challenge but thanks to all my assistants I feel it was a huge success. I would like to thank all of my judges and their score writers for all their help and also to my master scorer, Michele Krekorian.

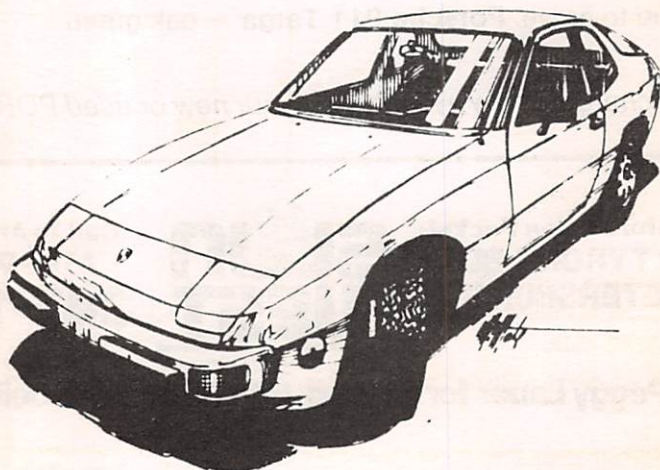

A special thanks to everyone who helped me with the slide presentation at the awards banquet Bill & Ellen Riley for the idea to Gerry Curts for the projector! This really made the concours a very special and successful event.

Thank you,
