COME BY FOR A TEST DRIVE

FROM THE EDITORS

My how time flies when you're having fun. Issue #12 already -- where did it go? Anyway, we give up the Editorship to Dean Rowe and Brooke Ballagh for 1981. In retrospect, we wish we could have done more writing, included more photos, etc. Hopefully, the new Editors will have a staff of assistants that will provide better coverage for a better Profile. But, in any case, give Dean and Brooke your support and they will give you a "great Profile".

This issue contains photographs of a number of events. The photos were taken by Tom & Cindy Briest. We don't think they missed a single event and, as Club Historians this year, always took pictures. We only wish we could publish them all.....

STRAIGHT AHEAD

Thanksgiving has passed and Christmas is creeping up fast. So is the end of a terrific Porsche year. Your officers and I have sincerely done our best to give you a well-planned and diversified menu of events. Looking back at the year, there have been Rallies, Autocrosses, Tech Sessions, a Rookie Weekend, Caravans, Dinner Meetings, a Gymkana, a Pigroast, a Beach Party, FPAS events, a Buc Tailgate Party, the Annual Halloween and Christmas Parties, a bit of good times for all who have participated. For those who have not, let's see you next year! Many thanks to Gerry, Phil, Fran, Elaine and Stu for your hard work and genuine effort. Thanks to the Board for your guidance throughout the year. A very special thanks to Joe Pendergast for his organizational skills and hard work. Joe chaired our most important event, Fireverksfest. It is Fireverksfest that keeps the Region solvent. Speaking of Fireverksfest, the 1981 event will be held in April. Jeff Brooks has offered to be Chairman. Let's support Jeff in his effort to keep the ball rolling. Congratulations to Bill Riley, as he will be your President in 1981. Bill will do a good job. Give the new officers and Bill your support and they will give you a fine year. Again thank you for the honor of being your President, an experience that will be remembered for the balance of my life. Also, my thanks to my wife, Michele, and our children, Marci and Michael, for they have had to put up with my highs and lows. Remember, the road is Straight Ahead, so is the future of the Suncoast Region. Keep pushin!

Mark Krekorian

P.S. Merry Christmas and Happy New Year!

BOARD MEETING

BOARD MEETING

President, Mark Krekorian, called the November Board Meeting to order at 8:15 p.m. on November 4, 1980. Elaine Fitzpatrick was called upon for the Treasurer's Report stating it looks like we will have a good financial start for 1981. Mark went over past events. He reported on the Southpointe Tech Session. There was a very short meeting with only four members attending and 11 or 12 prospective members--just not a successful event. Phil Nolen reported on the Caravan to St. Augustine. He and everyone that went agreed it could not have been a better event. However, again, the attendance was a little low. Fran Huffman reported on the Halloween Party stating it was fun but she too was disappointed in the turnout. Upcoming events were then reported on. Bill Riley reported the November 15th Riley's Rally was ready with a reasonable but not impossible challenge. Wally Joiner reported on Recompense Rally II stating he is working on it and some interesting trophies. There will be a Chili Party ending the Rally at the Krekorian's. Phil Nolen reported on the Christmas Party mentioning the checks should be sent to him in advance made out to Suncoast PCA. Reservations also must be made in advance. The post Christmas Party this year will be at the Nolen's. Joe Pendergast reported he has enough firm commitments to have the Dickens Driving School. A motion was made and approved to have the School. Mark asked for a report on old business. Dean Rowe reported he had received trophies we owed for a past event. Mark reported the possibility of a new region being formed in the Sarasota area would probably not be pursued this year. Fran Huffman reported the Membership Contest was now being led by Jeff Brooks and the membership now stands at 225 members. Mark reported the 1981 Parade dates of July 26-August 2 were firm. He then asked for discussion on our own multi-regional event, stating the Bay Harbor had to be notified. The majority agreed they still wanted the event, but a change of date due to National Parade and hot weather was necessary. April was decided on as the best alternate time, possibly Easter weekend. Jeff Brooks volunteered to chair the event and the University of Tampa was suggested as a possible location. Emory Stansell reported he will be contacting prospective Profile staff and editors for the upcoming year in the very near future. Mark called for any other business, there was none. The meeting was adjourned at 10:05 p.m.
