Florida Suncoast PCA's Faith Children's Home Car Show & Festival

May 5th will mark our first event outside the Christmas Party with the Faith Children's Home. Our May Membership Meeting will be held immediately following this event, May 5th, at 2PM.

It should be no surprise to those of us who have attended the Christmas Parties at the Faith Children's Home these kids *LOVE* our cars!! More specifically, riding in our cars. That was the motivation behind scheduling our monthly membership meeting at the home. I wanted a format that would allow the kids to see our cars in all their glory, in the daylight-haha, as well as an opportunity for them to learn all they can about the cars we cherish. And who better to teach them about our cars than us???

We will have a Tech Quiz/ Information Treasure Hunt. The kids will compete for prizes within their age groups. Each variety of car will have a list of questions they must be able to answer. These lists will be supplied each driver as they arrive. **Please feel free to contact me with specific questions you want to be asked about your car. Questions they can only ask you about your particular car.** We should make it a bit challenging!! It will not, however, be a concourse.

Another activity will be one for the younger kids who couldn't tell the difference between a 928 and 911, let alone a 626, if their life depended on it. So, for them, we are going to have a Petting Zoo, of sorts, set up so the kids can ride the pony or feed the goats, chickens, etc. Hopefully, we will also have the Moonwalk available as well. That depends on whether we have a large RSVP...

Please make this a family event as all PCA children, ages 5-18, are encouraged to participate in the treasure hunt and all ages can enjoy the Petting Zoo. We will have food and drinks for sale throughout the day.

Registration fee is \$10.00 per car and will be from 9-10AM. The *Tech Quiz* will be handed out to the children at 11am with prizes awarded at 1pm. *Membership Meeting* will start at 2pm. The *Driving Parade* around the grounds will start after the meeting for those who wish to give rides to the kids who have drooled over our cars all day! All proceeds will go to

The Home and the wonderful memories will be yours and the children's to keep forever!!!!

RSVP to Karen Selzer @ 727.857.1386 By May 1st with
names and ages of the children that will join you!!

Happy Hour

We have a very full schedule planned for May. Join us at the Children's Home on the 6th. Saturday the 12th will be a full course Driver's Education at Sebring, the last until the weather is cooler. Fantasy of Flight in Polk County on the 19th should be a great event set up by a very enthusiastic member, Glen Getchell. Finally the "jewel in the crown," is Zonefest at the Admiral Lehigh Golf Resort in Lehigh Acres, FL during the Memorial Day weekend. Join us for the events that appeal to your participation level. Bill and I will be there to greet you, as will the other board members.

June 9th Suncoast and Spacecoast regions will co-sponsor the Sunrise/Sunset Rally. Look for more details in the Profile as they become available. An autocross is planned for June 24th at MacDill the last until September. June 30-July 6 several members will be attending the National PCA Parade in Milwaukee, WI. The next major event will be Rennfest in Atlanta, Georgia over Labor Day. These people know how to have a party. Join us for these events and show your support for other regions.

Review of events:

March started with a membership meeting at Suncoast Porsche in Sarasota. Joe Hoppen kept us laughing through his stories and escapades working in the Porsche factory and designing racecars. Suncoast had 47 golfers enter the Charity Golf Tournament with the winning team of Jason Hunziker, Ed Hunziker, Dean Siegel and Jesse Pratt with a great score of 55 in the best ball event. Dine and Drive met at Four Green Fields on March 14th and Breakfast Club at Woody's on the 25th. WOW!! There are so many activities for

our membership to get together, enjoy meeting new people and driving that fun machine.

April continued on the same high note with a meeting at Bert Smith's Porsche in St. Petersburg on the 6th, Drive and Dine at the Bahama Breeze, Tampa on the 13th. Phil Harrison's ranch in Arcadia was the site for the annual Barbecue on the 28th. A Mac Dill autocross on the 29th completed the month.

If we haven't met yet, I'm as close as the next event. See you there.

FANTASY OF FLIGHT PORSCHES, PLANES, AND FOOD!

What else could one want? Well how about a spirited morning drive in that Porsche. That's right folks PCA Suncoast Region is planning a day trip out to see the old airplanes at the Florida Attraction Fantasy of Flight located in Polk City. We will start out early on May 19th, 2001 from Ybor City. We will proceed in taking the long cut which hopefully will keep us off the interstate and on some back roads. We plan to arrive at Fantasy of Flight between 10:00 and 11:00 am where we will meet up with those who were not able to partake in the drive part of this event. Once at Fantasy of Flight our beautiful Porsche Automobiles will be parked on the Tarmac where other visitors can admire them. Once in, we will be provided with a private tour, and partake in a private PCA Lunch at the Officers Club. Once your belly is full, you can be off to use the simulators and fulfill that life long dream to be an Ace Fighter Pilot, or watch the Helicopter simulator demonstration. And at 1:30 (weather permitting) a daring pilot will take to the sky in the vintage aircraft of the day. Who knows what it will be. Maybe a Spitfire, or a B-24 or maybe even an amphibious Duck. Your guess is as good as mine. Later you can roam around until your hearts content. So if this sounds like a lot of fun to you, then mark your calender and fill out the entry slip below. Any questions can be directed to Glen Getchell 727-393-5559 glengetchell@ijj. **Entry forms must be received no later then May 9th 2001.**

The drive/caravan portion of this event will start at Curts-Gaines Hall Architects 1217 E. Sixth Ave. Tampa Fl. (Ybor City). We will gather at 7:30am (ouch!), and leave shortly after.

12 Hours of Sebring

By Dave Cook

The 12 Hours of Sebring was a very exciting event. From the 164,000 people in attendance, making it the most attended road racing event in the USA, the exciting finish of the race, and finally the huge fireworks display, Mr. Panoz has shown that he will indeed make this the greatest road race in the history of racing.

Many Suncoasters were in attendance (too many to mention), and it became quite a social event at the Porsche corral. Reeves Motorsports, Bert Smith Porsche, and Suncoast Porsche put on a good show, with thousands in prizes, cold drinks and food. These are our loyal advertisers and we appreciate their work!

The HSR (historic racing), was present also, with many of our Suncoasters participating. To name a few, Scott Tyler, Art Woodworth, Jr, Danny Stewart, Bob Bagby, Mike Bruns, Charlie Morgenthaler, and Keep Morse raced on Friday and also the enduro on Sunday.

Art Woodworth, Jr. and Mike Bruns were the 2.5 liter Enduro champions for the year of 1998. In the year 2000 they were overall champions in their class. Scott Tyler and Danny Stewart have won many races in their class, however, I do not have their overall standings. All in all, we can be proud of our Suncoasters racing talents.

Next year, try to attend this great racing event. It's truly a great weekend.

Yours Truly,

The silver tongued grey headed old man

Social Circle

By Karen Selzer

Hey there Gang,

Well, to say ya'all have outdone yourselves is an understatement!! The turnout at all the latest events has been tremendous. I am very excited about the next few months as well. Let us take a look at what is upcoming...

May is full of some exciting new events along with some good ol' favorites. May 5th is our Membership Meeting at the Faith Children's Home. We are doing a Car Show & Festival to help raise a buck or two and give the kids a real chance to see and learn about our cars. (See the ad) The other first is our Drive to The Fantasy of Flight. Glen Getchell needs your registration and payment as soon as possible. Although we can possibly take late comers. Call Glen for details.

Our monthly Brunch Club at Woody's has really become a tradition as were are up to 26 cars last month. The brunch is served from 10:30 - 11:15am only. Late arrivals can hook up with their lunch menu. We are trying to put together a caravan to the beach or a park in June as our Brunch lands on a Saturday. We need to be done at Woody's by 11:30am for his huge Saturday crowd. Look for details about this 'rally' in the June profile.

The Drive and Dine has also become a wonderful social gathering. The April location was at the Bahama Breeze with 24 members, 8 were first time attendees!!! We will be meeting at Brewmasters in May and The Schitzelhaus in June. We are meeting at 7:00pm, reservations are for 7:15 to be sure everyone is there. Then we will meet in the parking lot to visit and talk about the cars. See the ad for more info.

May will also see the ever popular ZONEFEST in the Fort Myers area. This event brings in cars from all over Florida and Georgia. An awesome way to enjoy your car and the other members of the PCA. See Gerry Curts ad for information.

June's Membership Meeting will be held in Apollo Beach at Richard and Marlene Hall's. Albert and Alicia Carr will be treating us to an authentic

Argentine Asago. Also in June is the SUNRISE TO SUNSET RALLY. All the details are in this months profile. Last year our Region won for the best participation...Make sure we win back the trophy this year by attending. Call me for questions!

July 21st is the tentative date for our Bed 'n Breakfast/Touring Rally to Howie in the Hills. I am getting together the hotel information so look for a full ad in June's profile.

Also, in July, we are putting together a Tech Day at the Suncoast Porsche in Sarasota. Tentatively July 13th or 14th. Watch the June profile for information.

BE SURE TO RSVP FOR EACH EVENT YOU WOULD LIKE TO ATTEND.

The months ahead are full of great events all Florida Suncoast PCA members can enjoy. I am always so excited to see the flood of new and old members getting involved. I hope to see you at some of the next events.

See ya, Karen

Below are photos from our recent Brunch Club and Swap Meet.

ZoneFest '01

**Gold Coast and Suncoast Regions of PCA
Proudly Present the Premier Florida Porsche Event**

Memorial Day Weekend, May 26-28, 2001 Admiral Lehigh Golf Resort, Lehigh Acres, Florida

On this coming Memorial Day weekend the heart and soul of Zone 12 can be found in Lehigh Acres, just East of Ft. Myers, Florida. It's ZONEFEST '01, and it's going to be GREAT. ZONEFEST is *the* multi-regional annual event in Florida and is jointly hosted by Goldcoast and Suncoast regions. Event headquarters will again be the Admiral Lehigh Golf Resort located in Lehigh Acres. Three days of Porsche madness. Come and partake in the fun, competition, and socializing with a group of people who share common interest and bond, our Porsches. Both regions extend a warm invitation to all PCA members to attend.

The weekend will start on Friday evening with a welcome party in the Registration / Hospitality / Goodie Store / Banquet Hall Suite where you can enjoy renewing old acquaintances or make new ones over snacks, soft drinks, beer, and wine. Saturday morning brings the Concours where cars are lined up on the lawn (photo op) and judged for cleanliness and condition. While the Concours is going on, the Tech Quiz will give you a chance to test your knowledge of Porsche and it's history, people, and racing heritage. This is a fun and challenging written test just in case you really miss those school exam days. The Tech Quiz always brings out lots of "bench racing" conversation.

Saturday afternoon is the Rally. This is a nice drive through the country (sic). You will have to drive your car over a pre-described route following written instructions at specified speeds to arrive at predetermined points at specified times (sounds easy, doesn't it?). Points will be assessed for each second you are early or late at each "check point" along the route. After the Rally there will be an informal social around the pool, weather permitting. Saturday evening is the Dinner and Social, an informal and fun time where many door prizes are given out.

Sunday, we will have the Autocross at Buckingham Park Airport; one of the few dedicated Autocross sites in the entire USA. This is a new site for the Autocross and promises to be an excellent one. The Autocross track will be laid out with pylons. You will compete against cars with similar performance and have three chances to run your best time against the clock. Lunch at the track is included in your entry fee. Also at the track, there is planned a RC car race starting at 10:30 for any children 12 years or younger.

The awards banquet will be held on Sunday evening. This is a grand affair where the weekend's trophies are presented and more door prizes given out. And do we have door prizes! Lots of neat stuff for you and your car, plus the grand door prizes - several sets of tires and maybe a surprise or two.

A complete schedule of events will be available with registration. Full entrance fees are \$120.00 single; \$180.00 double, post marked by May 14, 2001. After May 14, \$130.00 single and \$200.00 double. Social entrants and individual event entrants are welcome at reduced rates as detailed on the following page. The Hotel has reserved rooms for the Porsche Club at the incredible rate of \$49.00 per night. Call them to make your own reservations at this special rate at (888) 465-3222 or (941) 369-2121 before May 14th. We have reserved 80 rooms to be held up to this date. After May 14th, any remaining rooms will be released to the public. Last year some of the people who waited until the release date to make reservations ended up having to stay elsewhere. Don't let this happen to you this year.

CONCOURS D'ELEGANCE

There will be 3 classes in the Concours this year: Full, Surface, and Mini-surface. The classes are as outlined below. Cars entering the "Full Class" (class 10) will be judged in all categories. Cars entering the "Surface Class" classes 1 through 9) will not have the underside judged and will receive zero (0) points for that category. Cars entering the "Mini-surface Class" (class 11) will be judged only on the exterior and interior and will receive zero (0) points on the underside, engine and trunk compartments. If you intend to compete for the "Overall Weekend Award", it would be advisable to enter the Full or Surface Class because the total Concours points you receive will be used to figure the overall points for the weekend.

1. CLASSES:

1. All 356 Series.
2. All 911 & 912 Series, 1965 to 1977.
3. All 911 & 930 Series, 1978 to 1989.

RALLY

This year's Rally will be a "time, speed, distance" type. This means you will be given a set of route instructions to follow at given average speeds (these speeds will be changed from time to time by the instructions). Unknown to you, you will come upon checkpoints as you follow the Rally route. At each checkpoint you will be "timed in" and your elapsed time for that "Rally leg" (between checkpoints) will be later be calculated and compared against the "perfect time". For each 1/100 minute you were early or late from the perfect time, you will receive one penalty point. The penalty points for each leg are added together and the finishing position is determined. The car with the fewest points is the winner.

There will be only one class for this years Rally - "Unequipped".

That means you may use rally tables, stop watches, pencil and paper; but no calculators or computers are allowed.

The Rally accounts for 100 possible points toward the overall ZoneFest scoring.

TECH QUIZ

The Tech Quiz will be held during the Concours judging on Saturday morning. There will be both a Men's and Women's class.

The Tech Quiz accounts for 25 possible points toward the overall ZoneFest scoring.
