# The President's Message

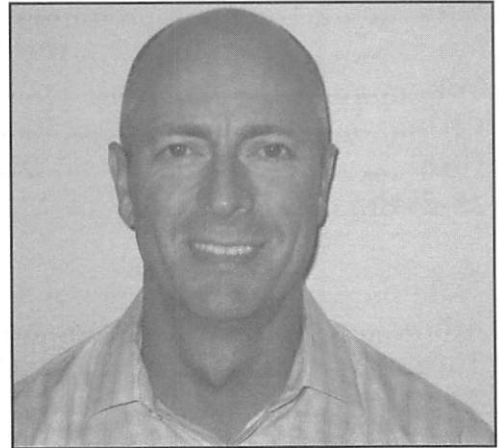

By Don Busby

Wow, was March a busy month, two great car shows, one in Amelia Island and one in St. Petersburg, an autocross in the middle of the month, a swap meet at Dave White's, Cayenne introduction parties at two of our dealerships, and fantastic races in Sebring and St. Petersburg! I think I need a vacation after this month. With the exception of the Amelia Island show, all these events took place within a 2-hour drive from Tampa. That's a lot going on in our own backyard.

The last event of the month was the St. Petersburg Grand Prix, and I hope you got a chance to come down and check out what has become a premier event on the race circuit. I have got to tell you, the ALMS race on Saturday was so much better than the IRL race on Sunday. And considering that the ticket price was half that of Sunday's event, and the crowd was much smaller, I'd have a hard time going back on Sunday again. Sure was fun watching Porsches hit 140mph down the streets of St. Petersburg!

If you went down to the event on Saturday, chances are that you parked in the Porsche Corral that we had on the grass of Straub Park. I want to tell you how fortunate we are, no other car clubs had the prime parking that we did! For that, we have Page Obenshain to thank for working with the city to obtain the park and working with the IRL to obtain the 2-seater ride that we raffled off. He did a lot of work leading up to the event, and we certainly appreciate it! Of course, the day of the event, Page had a great group of volunteers there who worked hard to manage the approximately 90 cars that turned out. Thanks to all of you! Bert Smith Porsche was there to support the event and pick up expenses, which allowed us to donate all of the funds collected to the Ronald McDonald House.

Page tells me that with such a great turnout, we managed to catch the attention of some pretty high-level people involved with the race, so look for a bigger and better event next year! Thanks to all the members that turned out for the event and brought your cars, your contributions make a difference at

the Ronald McDonald House.

As for the 2-seater ride, I know who won it, and I know he likes to write stories, so I'm looking forward to reading all about it!

I also want to thank another member, Steve Gaglione, for putting together a great collection of Porsches to represent Suncoast region Porsche Club at the Festival of Speed car show. Unfortunately, I could not attend, but I heard it was a great show, with Aston Martin being the showcase make.

And finally, I want to congratulate two of our long-term members, they are proud, new parents again! Please help them celebrate the new addition to their ever-growing family - a beautiful and very special 914GT! Do I see an addition to the garage in your future?

(No names necessary, we all know who you are!)

A deposit has been paid to Sebring for the June DE; the balance is due by May 15th. Rich will request a check for the final payment when it gets closer to that date. #### **Old Business:**

The Porsche on Parade was a successful event drawing 89 cars which were on display and 89 raffle tickets were sold with Dave Cook winning the 2 seater ride.

As last year 100% of the monies collected were donated to the Ronald McDonald House. Between our club and Bert Smith Porsche all expenses were paid.

#### **New Business:**

Gerry Curts has agreed to help with the concours event at Porschefest for 2007

Don Busby received an email from the national awards chairperson requesting our region to submit nominations for the national awards by the middle of May.

Danny Shields suggested that a small committee of volunteers put together the applications based on the criteria published by the national awards committee. This is what we did in the past.

Charlie Neilson mentioned that when we set a date for an autocross at the Sarasota Kennel Club, the event must be on a Sunday.

Russ Lee has recruited Roger Dordick to become the Porschefest chairperson for 2008, but cannot participate for 2007 due to prior commitments.

Gerry Curts will submit an ad for the Rally. Don Busby will then email this to our membership.

Our next meeting will be held on May 5th at the Hall's picnic/Rookie Weekend.

# **Come to the Rookie Autocross**

## **- test your Porsche's limits without breaking the bank!**

By Ralph Carr Autocross Chairman

**Its fun for all types of cars from the daily driver to  
the full-blown racecar!**

All Porsche club members are invited to attend a rookie autocross on May 6th at Zephyrhills Airport. (Directions are on the web site.)

This event will start promptly at eight o'clock. What is an autocross you might ask? An autocross is a performance-driving event that pits car and driver against the clock; it's just you and the course. The actual courses are set up with cones much like something that you would see on Car and Driver skid pad tests. Your runs will be timed to show your progress.

This event is going to cater to rookies; however, seasoned veterans are welcome to come out, drive, and instruct. In the morning we will split the course up into sections and instructors will show you how to approach each maneuver. I don't like to drop names but, Danny Shields and his wife Sharon with 12 SCCA national titles between them, will both be instructors. After every one has learned the individual maneuvers we will link the sections together to form the autocross course. All drivers must have a valid Drivers license, and persons under the age of eighteen must have parents sign a release form at the event.

Helmets are worn on the course for safety. The helmets must be snell 2000 or newer. We have no loaners so if you don't have a helmet we will find someone to share with you. Your car needs a little attention also make sure that your tires are inflated to the proper pressure and be sure they have enough tread. Wear clothes and shoes that you can drive in- no sandals or flip-flops please.

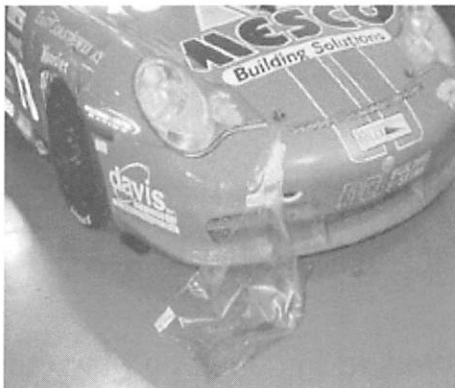

I really hope to see you all there.

Ralph Carr Autocross Chairman.

# Suncoast PCA Presents Donations

Dennis O'Keefe presented a check to Kathleen George of the American Red Cross in the amount of \$1,000 which is going to the Florida Tornado victims fund.

These donations were contributed by the racers at the 14th running of the 48 Hours at Sebring, which is jointly hosted by Suncoast and Gold Coast Regions every year.

Dennis O'Keefe with his grand-daughter Maria - our youngest PCA member.

The 48 Hours of Sebring race committee represented by Dennis O'Keefe presented a check for \$1,000 to Troop 422 of the Boy Scouts of America.

This money was donated by racers and attendees at the 14th annual running of the race at Sebring.

# IRL Race Car Ride!

By Dave Cook

The Silver Tongued Grey Headed Old Man

It was on a clear, warm day with blue skies that I traveled to St Petersburg for a few minutes of sheer heaven. Yes, I won the drawing for a two-lap ride in an Indy car at the St. Pete Grand Prix.

How did I get the ride? Chances were sold at the rate of \$10.00 per ticket and my name was drawn! Through the efforts of Page Obenshain, the IRL offered two lap rides to several organizations. The proceeds of the money collected are given directly to Ronald McDonalds by our Suncoast Region. That's right, one hundred percent is given to them with no middle man costs. Suncoast collected \$900 for the drawing.

Our Region each year puts on a great weekend package, starting with the drawing for the Indy ride.

This is followed by "Porsche on Parade" next to the St. Petersburg Yacht Club. The event is hosted by Bert Smith Porsche with prizes and new cars on display. Our guy Page, organizes the entire event, getting permits from the city and sorting through all the red tape. And yes, you Suncoasters park your cars in a beautiful display. This year our members had almost on hundred cars to view in all their glory. About \$3,000 will be donated to the Ronald McDonald house!

Next year plan to attend and have the time of your life watching the race and enjoying your car on the waterfront.

Now for the Indy ride: When you arrive for your ride, you are given credentials for the pits. You register, given a short chalk talk, and fitted with a driver suit, shoes, gloves and helmet. A full crew places you in the two seater Indy car, strapping you inside and the fun begins. With a roar you are off for the fastest ride of your life. You ride for two laps, unbelievable acceleration, severe braking and g-load cornering. It is all over too soon. But I guarantee that you cannot wipe the smile off your face!

**MARK IT ON YOUR CALENDAR FOR NEXT YEAR, CAUSE YOU MISSED A SUPER DUPER EVENT.**

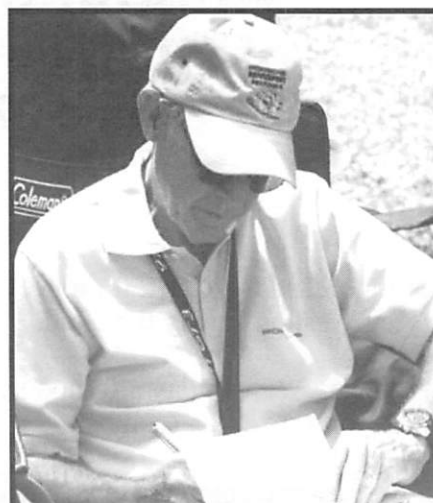

# PORSCHE ON PARADE

By Page Obenshain

The event was held on the grass of Straub Park during the St. Pete Grand Prix on Saturday March 31st. Suncoast PCA had a car show with awards, paddock parking for the ALMS race and a nice raffle. Prior to car show, Suncoast region raffled off a 2-seater ride in an IRL car. We thank the members of our club and Porsche friends for donating to the RONALD McDONALD HOUSE. Because BERT SMITH PORSCHE donated the costs of the event, along with great prizes and awards, we were able to donate 100% of the \$3000 raised to the charity! There were 89 cars on display and 89 ride tickets sold.

It is amazing how easy it is to get our members to donate their valuable time to our club and our charities. Thank you Danny and Sharon Shields, Amy and Dave Gustafson, Bill Saitta, Gerry Curts, Mark Krekorian, Andy Kinsley, Bill Clayton, Bob Atkin, Gordon McKeehan, Dave Herndon, Christian Obenshain, and Don Busby. And a big thank you to the St. Petersburg Yacht Club for providing a great lunch.

## The Rookie Weekend Bonanza

**Saturday, May 5<sup>th</sup>, 2007**

We start the day with our fun Rally which is for all members. If you have never been in a Rally, this is your opportunity. You will receive written directions along with a brief meeting telling you how to play the game. The Rally begins at Reeves Import Motorcars which is located at 11333 Florida Ave. North, Tampa, FL. Registration time is 8:30am, 9:00 Drivers meeting, 9:30 first car out.

There is plenty of parking and be prepared to have your car judged in a casual Concours d' Elegance. What do we mean by that? The dirtiest Porsche, oldest Porsche, best color, race car, and cleanest in the world! We may decide to have other contests if we can think of them.

Suncoast Motorsports will provide refreshments and food. Richard Hall will display his cooking talents with hot dogs and hamburgers.

You must bring a covered dish: A-F Salads, G-L Covered dish, M-R Appetizers, S-Z Fruit or Dessert.

Last year we had a record crowd, so RSVP to Ellen Riley 863-619-8983, or p951@aol.com. You can also RSVP to the Hall's at 813-645-6985. The deadline for your reservation is April 25<sup>th</sup>!

## 2007 PORSCHE RS SPYDERS COMPLETE 12 HOURS OF SEBRING WITH ONE LMP2 PODIUM FINISH; NEW 911 GT3 RSR (TYPE 997) FINISHES SECOND AND THIRD IN GT2 CLASS

SEBRING, Fla. - March 17 - Porsche Motorsport customers debuted two new race cars - the 2007 Porsche RS Spyder and the 2007 Porsche 911 GT3 RSR (type 997) - at the 55th Annual Mobil 1 Twelve Hours of Sebring, and competitors responded by finishing on the podium in both classes.

Finishing third in the LMP2 class despite encountering a series of electrical problems, the #7 Porsche RS Spyder prepared by Penske Motorsports, was driven by Timo Bernhard/Romain Dumas/Helio Castroneves. Fifth in class was the #16 Dyson Racing Porsche of Andy Wallace/Butch Leitzinger/Andy Lally. It was second overall during the early part of the race before an accident with an LMP1 entrant, and subsequent transmission issues and electrical problems dropped them back. The #20 Dyson Racing Porsche RS Spyder, with Chris Dyson and Guy Smith aboard, lost 24 laps early in the race due to contact with a GT2 car, and later dealt with a leaky power steering rack, resulting in a seventh-place class finish.

Finally, #6 Porsche RS Spyder prepared by Penske Motorsports, with Sascha Maassen/Ryan Briscoe/Emmanuel Collard, spent 13 laps in the pits with a broken brake line in the first hour, and then encountered various electrical problems including a failed alternator which cost the team more than 90 minutes in the garage for repairs. The final results showed an eighth place finish in LMP2 for the #6 entrant.

In GT2, the battle for first place was between the #45 Flying Lizard Porsche 911 GT3 RSR of Jorg Bergmeister/Johannes van Overbeek/Marc Lieb and the #62 Ferrari 430 of Melo/Salo/Mowlem - with the two-car tussle going for more than seven hours. In the last hour, however, in an effort to re-pass the Ferrari, the Lizards pitted to get fresh tires, but the gap created by the pit stop looked like it would be too much to overcome. It was Jorg Bergmeister versus Jamie Melo for the last 30 minutes, with Bergmeister closing the gap to less than one second on the last lap. The cars swapped positions on the last lap, but Melo managed to edge Bergmeister by two-tenths of a second to win the class.

The #71 Wolf Henzler/Robin Liddell/Patrick Long Tafel Racing Porsche 911 GT3 RSR finished third in class, a podium finish for Tafel in their first-ever American Le Mans Series event. Fourth was the Farnbacher-Loles Porsche 911 GT3 RSR of Pierre Ehret/Dirk Werner/Lars Erik Nielsen.

# Drivers Ed First 2007 Event Reminders

By Rich Tillotson  
Chief Track Instructor

As we approach our first event for 2007, on May 12, I wanted to take this opportunity to provide a few DE reminders that will make your participation a totally enjoyable experience.

**Please note all groups:** There has been a revision to the DE vehicle equipment requirements for 2007. As in the past, if your car has a race seat and harness installed there must be an equal seat type and harness for your instructor. In addition now, that seat must be a designed race seat with provisions for 4-5-6 point harness to pass through openings in seat. No longer can you use a Porsche standard street seat with a harness that goes over seat back to fasten to seatbelt lock points. As in the past a stock seat with stock belts is still acceptable for DE, but if you install a race seat remember the rules, this is something that will be checked at tech.

**Green group drivers:** Be sure to read over DE participation items listed on our website [www.pca.org/sfl](http://www.pca.org/sfl) this will take some of the unknown out of your participation. If you are a first time attendee, RELAX, you will have the time of your driving life.

**Blue group drivers:** Congratulations on moving up to the advanced instructed group. You have shown the knowledge and skills necessary to receive advanced instructing on the safest and quickest way around Sebring in your model of car. Keep in mind the instructor in your car is placing a lot of confidence in you for his or her safety and will be gauging your ability to continue to learn the skills necessary to progress to solo.

**Yellow group solo drivers:** You are on the track on your own due to the lessons you have learned as you progressed through the instructed levels, don't forget those lessons! If you would like an instructor to ride with you during one of your sessions to make sure you have not regressed please seek one out, it can only help you.

**Instructors:** Thanks, for the commitment to this event, if not for you coming back to help students learn there would be no Drivers Ed. I look forward to working with all of you to continue the safe record we have enjoyed here in the Suncoast region. I appreciate feedback so if you have a concern or suggestion please find me and share your thoughts we can always improve our events through new ideas.

Any questions feel free to call me, 727-934-2988.

See you at the track,

Rich
