Rennsport Reunion III

November 2-4, 2007

Photos courtesy of Danny Shields

Why put off what you'll never stop wanting?

Sleek arcing roofline and curving shoulders flow in perfect unison. Muscular hips telegraph what lurks beneath the surface. Press the accelerator and feel the road-grabbing power of an unbridled, 295-horsepower, 3.4-liter, mid-mounted flat-six engine. The unprecedented Cayman S. It's stirring things up.

The Cayman. Starting at \$49,400.

The President's Message

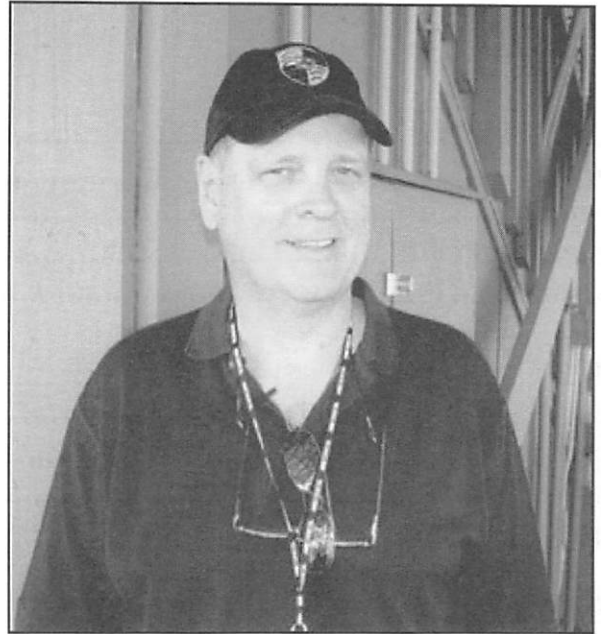

By Russ Lee

How time is flying by. Since our last newsletter, we have celebrated OktoberFest with Suncoast Motorsports in Sarasota, we held our first Autocross in Sarasota, participated in Porsche North America's Rennfest at Daytona and attended an open house at Guy Covington's and Carlos DiBonis' new Renn Haus facility in Sarasota. And as if that is not enough, looking forward to the end of the year we have the Christmas Party at Tampa Yacht Club, the holiday party at Mike Kwasin's house, the R.I.C.H. House Christmas party for the kids, and Suncoast Motorsports' Porsches in the Park. With this schedule of events, who has time to realize that the holidays are almost here?

While all of these exciting activities are planned to engage our membership in various aspects of Porsche ownership, I wanted to point out that our Club does more than just satisfy our car ownership pleasures. Through the philanthropic pursuits of many of our members, we have also given back to our community. In Tampa, we have supported the R.I.C.H. House through the coordination of Illana Brockman, who has organized many more members in providing Christmas gifts to the children there. In October, the Club made a \$3000 donation to the R.I.C.H. House, as their budget was significantly impacted by legislative cuts in 2007.

For the past couple of years, Page Obenshain has coordinated our Region's involvement in the April St. Petersburg Grand Prix, which included a donation of all the Region's receipts, approximately \$3000, to the Tampa Bay Ronald McDonald House

Through the generosity of Jack Collins, Jr., Vice President of the Sarasota Kennel Club, and the organizational efforts of Charlie Neilson, Ralph Carr, Danny Shields and Suncoast Motorsports' employees, Ric Knab and Phil Andersen, the first Sarasota autocross was held at the Sarasota Kennel Club. This event was

part of the OktoberFest weekend and generated approximately \$1500 which was split equally between the R.I.C.H. House and the Fast Friends Greyhound Adoption, Inc.

Oftentimes we view ourselves as PCA members and we participate in those activities from which we derive personal satisfaction and do not view ourselves as having other connections to our communities. As members of the Suncoast Region of the Porsche Club of America, we can be very proud of the fact that we do indeed invest in our communities. Please join me in thanking all the members who have had the foresight and good hearts to involve us in these activities.

And, please remember to bring a wrapped toy to Mike's party on December 15 for the R.I.C.H. House kids' party. Better yet, take some time from your workday on Friday, December 21, and bring the toy, in your Porsche, of course, to the party.

PORSCHE

Porsches, Pooches ... & Poop

By Charlie Neilson (Treasurer extraordinaire)

The charity autocross was held on October 21 at the Sarasota dog track. It was the first time the club ran an autocross in Sarasota. The site was perfect for squealing tires, smoking brakes and smiling faces. The weather was hot but the rain stayed away.

Ralph Carr and Mark Lasota deserve huge credit for setting up the course in tough conditions - on Saturday night the parking lot was still full of cars so they had to come back Sunday morning at 6:00 am only to find that the lights were off and they worked in the dark and drizzling rain setting pylons - you guys are the best!

The greyhounds paraded about by Fast Friends Greyhound Adoption were adorable, friendly, looking for a home, and ... well-fed. We all know the deal - you put food in one end of a dog and you get poop out the other end. Watching where you step is always a good idea, especially when you're wearing cool Italian driving shoes. Need I say more?

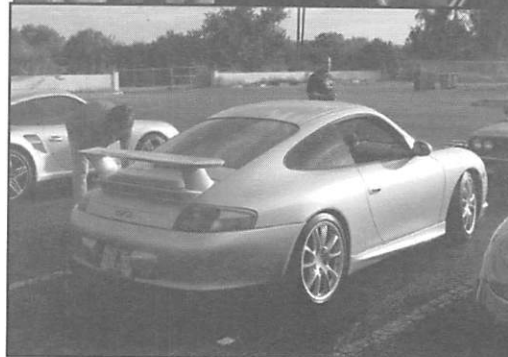

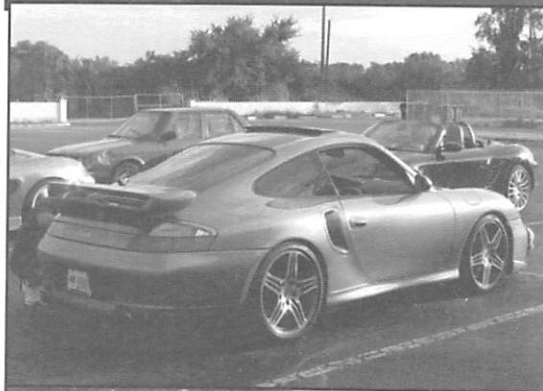

Many people paid \$10, as a donation, to have Danny Shields drive their cars, at speed, through the cones - they all improved their times from the experience but Danny seemed to have a big smirk on his face after driving a 911 turbo, GT3, Caymen S, Boxster S, Boxster (and a Plymouth Neon!) Would you give this guy your keys?

Suncoast Motorsports was on hand with several new cars on display. They also conducted a charity raffle, provided lunch and drinks for all and picked up all expenses so that 100% of the money collected during the event went to charity - these are good people.

The dog track provided security personnel to obtain our liability waivers, air-conditioned restrooms (a lot more poop) and the huge parking lot, at no cost - these are good people.

The Suncoast Bloodmobile was on hand to receive donations - giving blood before autocrossing seems dangerous to me so I think their turn out was light. They were also giving blood pressure checks and somebody told me "rectal exams" (do I have to say this? ... more poop). Nothing will tighten up the cheeks and make you want to floor it more than the dreaded rectal exam. All those drivers that spun out are suspect to having gotten "the finger".

We collected upwards of \$1200 (the exact amount is pending based upon how much the score keepers pocketed on bribes ... only kidding but Danny's times were hard to believe.) We had 30 cars participate so the money raised was great - but where were the rest of you autocross enthusiasts? Where else, but an autocross, can you drive like a madman, floor it through the turns with tires squealing on the verge of out of control ... and receive a trophy? The Porsche Club - these are good people.

MEMBERSHIP STARTING LINE

Dave Herndon
Membership Chairman

The Membership Starting Line is a new, monthly feature in the PROFILE, recognizing our newest members of Suncoast Florida Region. To begin, this month we are listing each new member and affiliate member that has joined Suncoast Florida Region of PCA during January through October 2007. We are also including the PCA members that have so wisely chosen to relocate to our area, enjoy the sunshine and transfer their membership to Suncoast.

We have met many of you throughout 2007, but there are still a few new members that have yet to attend your first event with us. Our members and Board of Directors extend a warm welcome and an invitation to each of you and your families to come enjoy PCA, get to know us, and take part in the holiday season festivities during December. We have a busy calendar this month, with something for everyone.

We have parties, both formal and casual, and driving events with the December 8th Porsche / BMW Challenge Autocross (a timed, competitive performance driving event set up on a long airport taxiway, suitable for everyone). We need to win this one, otherwise we will hear about it from the BMW guys for quite a while into 2008, so please show up and help us win the challenge. Our instructors will teach novices how to have fun getting through the course as quickly as you can. Through autocrossing, you will meet friendly people and have an opportunity to try your hand at legal performance driving on a closed course. You will also learn car control skills that are very useful on the street.

Our annual charity event at the R.I.C.H. House in Tampa is scheduled for December 12th. A breakfast and concours clinic at the Suncoast Porsche dealership in Sarasota is on the calendar for December 15th, along with Mike Kwasin's world famous Christmas party, wine tasting and Board meeting that evening at his beautiful waterfront home along the west shoreline of Tampa.

Our December calendar concludes the next day, December 15th, with the Porsches in the Park event in Sarasota. This is simply a beautiful venue, with shiny Porsches of all types and ages from one end of the park to the other. The city of Sarasota is always dressed up for the occasion.

It is our sincere hope that you will join us in celebrating good friends, good times and a love of all things Porsche during the special month of December. Event details are available in the pages of this newsletter. I can be reached at 727-804-1439 or at dherndon@ix.netcom.com for questions or directions. Happy Holidays!

ANNOUNCING
THE RICH HOUSE HOLIDAY GIFT DRIVE
ON FRIDAY, DECEMBER 21, 2007 AT 1PM

Once again, The Rich House will hold its Holiday Party for ALL of the Children and the Porsche Club is invited to share in the fun and excitement! If you can attend this fabulous event, please bring your Porsche; the children, parents and police officers always enjoy seeing our shiny cars.

Some of the programs offered at the RICH House include:

- After School Tutoring
- Socialization Skills
- Self-Esteem Programs
- Conflict Resolution
- Food Drive
- Mentoring
- Neighborhood Watch
- Holiday Programs

The RICH House is also a popular Safe Haven for many children and adults in the community; a place where residents in the community can go when they need referrals, resources, and support.

The majority of these wonderful children have precious little in the way of possessions; their needs are great! The children (approximately 300) range in age from 2 – 18. Due to the large number of children, **we are asking our members to donate two holiday gifts; one gift for a girl and one gift for a boy.** We suggest that your new gift(s) donation be in the range of \$10 - \$20 per child and that you gift wrap the gift(s). Please attach a self-adhesive tag stating the age & gender appropriate for your gift; and, if it is clothes/shoes, also state the size. **You may drop off your gifts at the Holiday Gala, Mike Kwasin's Holiday Party or give to any Board Member ANYTIME.** If you are not planning on attending any of the events mentioned above and are planning to attend the RICH House Holiday party, you may bring your gift to this special event. To ensure that all age groups receive gifts evenly, please buy your gifts for the following age group:

RENN HAUS Open House Saturday, October 27th

By Guy Covington

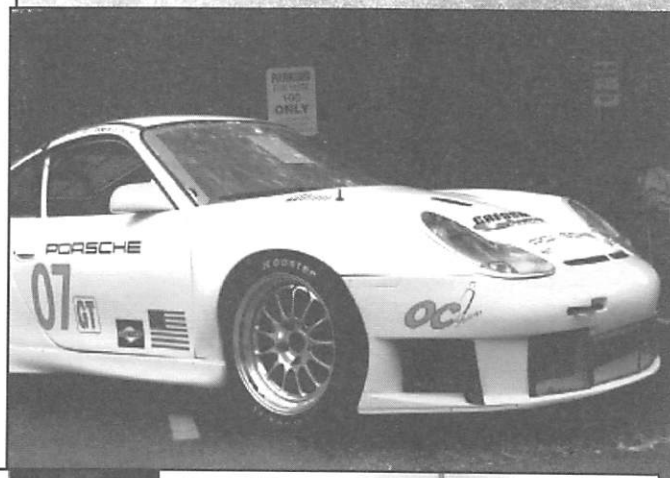

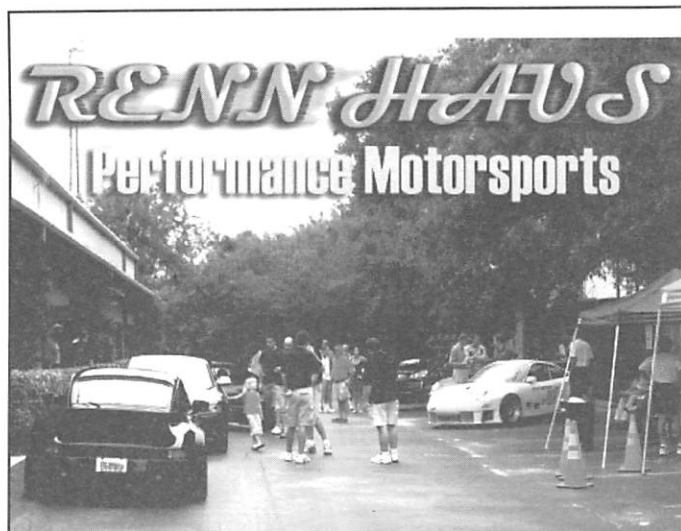

We had a lot of fun visiting with over 60 of our friends at the Open House. I heard the BBQ was good and the weather held back so it was a nice day without rain.

There were some really beautiful cars displayed such as Dr. Nasir Khalidi's black Carrera GT along with his red Ferrari Testarossa. Mike Baker's 996 Cup Car was here along with many other members' beautiful cars.

Suncoast Porsche/Audi brought the hot Orange Limited Edition Boxster S, their really cool Transsyberias Cayenne S in black and orange, the gorgeous Audi S5 Coupe and the talk of the show, the new Audi R8.

Carlos did a demonstration of our Dynapack dynamometer on Ola Wettergren's awesome 2001 996TT that has over 500hp to the rear wheels. And, Mark Campbell won the raffle for the Dyno run for his Boxster S.

Carlos and I would like to thank all who came by and those who helped with this fun day.

WE NEED YOU!

Volunteer Workers

Here is your chance to see the race up close, and help the Gold Coast/Suncoast club at the same time. Here you smell the smoking brakes, and hear the scream of the tires as the Porsches go through the turns. This is an experience you will never forget, and you will be thrilled beyond your wildest dreams! Please encourage your friends, co-workers, and family members to volunteer!

You will receive a free shirt, lunch, and other benefits! Special door prizes for workers, the more you work the more chances you have to win. Each corner has a port-o-let, shade, and you are provided water. You can work one, two, or three days, or half days. You tell us the times that you want to work.

No experience is necessary, the SCCA worker is in command, and you are there to assist. Our National Club Race committee requires the SCCA corner workers to have two assistants at each corner.

You will be contacted with your assigned corner or area of responsibility prior to the event!

Please place a check in the areas you would like to work.

Not Sure: Feel free to call Jerry or Tom to discuss...

My Third Porsche

by Richard Lockwood

What about the first two? I bought my first Porsche, a 1982 911 Targa in 1990 after finishing graduate school. I figured I'd pay off the student loans later. Three years and a small inheritance later I upgraded to a 1989 930. I really enjoyed the Turbo except for the heat. A black-on-black Turbo Coupe just couldn't be cooled in Florida. Four years and two kids later, I sold it for the downpayment on my house. I guess we all have to grow up sometime!

I went Porscheless for the next four years. Then one day my wife suggested that I buy another Porsche. Boy is she nice! After much deliberation, I chose a blue 1972 911 T. It had been moderately restored and upgraded with a 3.2 liter engine. I love the classic style (chrome is cool), but I love horsepower, too!

Now for the more interesting part (I hope). A few weeks later, I drove the car to my in-laws to retrieve my 5 year old son. While I was leaving their neighborhood a man started running toward my Porsche apparently wanting me to stop. I was rather hesitant because of his appearance. He was in his 50's with grey stringy hair almost to his shoulders, wearing blue jeans and no shirt. He was waving me down with one hand while holding a beer in the other. I cautiously slowed to a stop. (I noticed the beer was in a koozie, so I figured he wasn't a complete bum.) I depressed the clutch and put it in first gear preparing for a quick exit if necessary. He stopped at the edge of the road and said "Your car, Your car, what year is it?" When I responded '72, he said "I've got one just like it in my garage" It turns out he owned the home right where I had stopped. Against my better judgement (I still had my kid in the car), I pulled into his driveway and he introduced himself as Buddy Meyers. Then he opened the garage and uncovered an all original 1972 Green 911 E (unfortunately not running). Buddy was retired from the Army and bought the 911 while stationed in Germany. We chatted about the cars briefly and then I left. I promised to return when I had more time and no passengers.

Many, many months later (I made the mistake of having some minor rust work repaired-I thought I'd never see the car again) I stopped into see Buddy again. I barely recognized him; he had cut his hair and put on a shirt. He almost looked respectable. We chatted over a few beers and have since become good friends. We have even attended a few DE's together. But that's another story.

Rennsport Reunion III

Porsche fans from around the world converged on Daytona International Speedway November 2-4 for Rennsport Reunion III, a celebration of Porsche's racing heritage. Organized by Porsche Cars North America, the event offered a memorable experience for thousands of PCA members and Porsche enthusiasts. The Concours d'Elegance and racing featured more than 20 examples of the fabled 917 and even more of the enormously successful 956/962 series cars. A general admission pass offered full access to the garage area, where enthusiasts could meet the racing legends and steep in the Porsche aura.

Our club had been asked by PCNA to handle several Rennsport activities. Suncoast members and PCA members from other Florida regions held key roles. Jennifer Barrows, of Florida Citrus Region, and myself shared overall responsibilities for the PCA activities.

The PCA "History of Porsche Cars" display, chaired by Suncoast Region's Steve Gaglione, featured 52 superb examples of the Porsche production models. Beginning with a Dennis Frick's exquisite 356 Continental 1500N Coupe from 1955, the same year PCA was formed, the collection proceeded through five decades of Porsche history to Gerry Curts' stunning new GT3 RS.

Visitors expressed a sense of history and wonderment as they studied the rare, preserved cars. Each car owner was awarded a stylized 911 pewter memento and a certificate signed by PCA President Prescott Kelly and motorsports legend Brian Redman.

Six of the 50 existing Carrera Club Coupes were displayed in a special exhibit. Comments were heard from guests who had read about this special model but had never seen one. One little girl who had seen the movie "Cars" exclaimed, "Look! 'Sally' cars!" Gerry Curts assembled this largest gathering of Club Coupes, and Porsche AG helped by contacting the owners and bringing Club Coupe #1 from the museum.

Approximately 300 Porsche drivers enjoyed Friday's PCA touring laps, generating about \$6,000 for the Camp Boggy Creek charity. Mark Peebles, of Florida Citrus Region, organized as many as 100 cars per session and got them on-track right on cue. It is quite a sight when 100 Porsches take to the Speedway at once, even for touring laps! You can imagine the spectacle later, when the green flag flew above the largest group of 72 vintage racers, ranging from 914s through 904s, 356s, 550s and even an Elva-Porsche!

Over 600 Porsches were on display in the PCA model-specific parking corrals on Saturday, the busiest day. Tom Gorsuch, of Space Coast Region, and his team worked long and hard to keep them organized, creating a huge Porsche display running the length of the boardwalk along Lake Lloyd, in the Speedway infield.

Doug and Sara Monaco, of Suncoast region, set up a booth offering new PCA apparel items for sale to PCA members. Sales appeared to be brisk.

PCA's hospitality building attracted visitors from around the globe, including the president of a 356 club from Germany, the past president of a Swedish Porsche club, about 20 members

Continued on next page

of a French Porsche club, and at least twelve members of a Porsche club from Great Britain. Mike and Diana Hansen, of Gold Coast Region, created a great place for folks to get away from the sun and noise, and enjoy some camaraderie with PCA friends.

PCA Hospitality volunteers distributed a variety of literature including maps, schedules, Porsche Panorama magazine, "The Porsche Family Tree" booklet, and the PCNA Owner Relations VIN cards. The supply of PCA applications was exhausted.

"Tech talk" sessions were held each day in Hospitality at 9 a.m. with members of the PCA Technical Committee. Owners could ask questions of the committee members and then go outside to the car corrals for hands-on discussion.

The PCA banquet had sold out on the first day that registration was open. It was unfortunate that no more people could be accommodated, in the largest banquet facility available, and many of our PCA friends were disappointed at not getting tickets. (Porsche Parade over-subscription procedures were followed.) The lucky ones who did get tickets were treated to good-natured banter from the speakers, German Jurgen Barth, Frenchman Gerard Larrousse, and Belgian Willi Kauhsen, all of whom drove the featured cars to victory in international races.

Vu Nguyen of the PCA staff prepared a great slide show of Rennsport scenes, which ran continuously. Bob Herrman of Florida Citrus Region and Suncoast Region's Gordon McKeehan planned the dinner, with ticket arrangements handled by the PCA national office.

A total of 176 PCA volunteers, including alternates, were signed up to support the various Rennsport activities. Bob and Dora Barren of Florida Crown Region did an incredible job of keeping them organized and making sure all spots were covered and everyone had their "Volunteer" shirts, which were given by PCNA. Roger and Sherry Fabel of Gold Coast Region provided invaluable support, putting the worker lists into an Excel file that was used to manage the assignments.

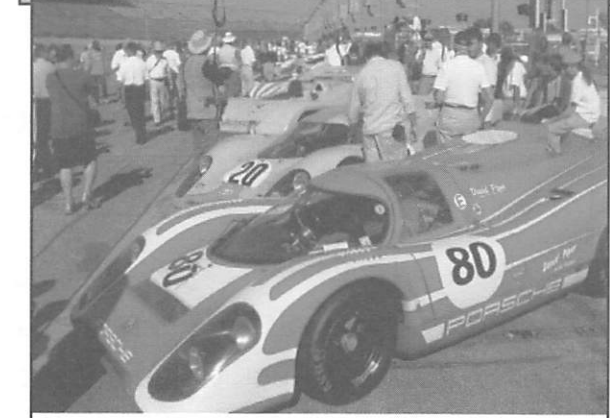

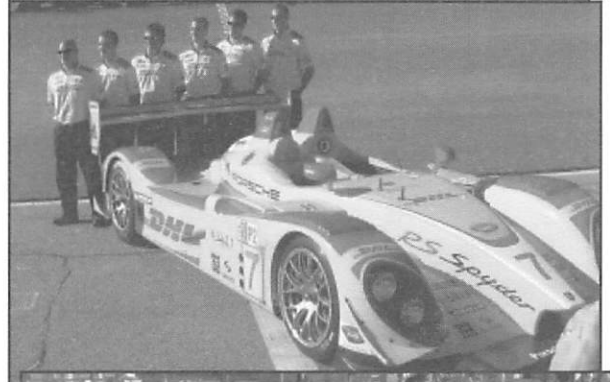

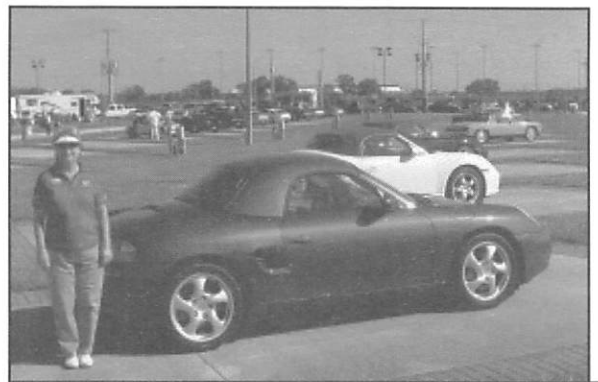

Three PCA national scrutineers led by Dick Dobson performed the inspections of the race cars to ensure their on-track safety. How often are they called upon to check out a 917? Many of the cars had never been in this country before, including a special 16-cylinder 917 roadster. According to Brian Redman, four cars from Europe were held up in Customs, and only arrived on Saturday. It seems they have to X-ray imported vintage racing cars these days.

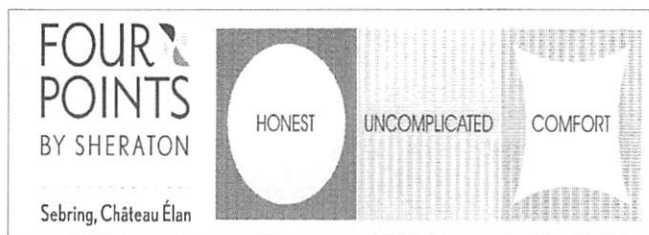

Both Reeves Import Motorcars and Suncoast Porsche provided great support for the PCA activities. The team from Suncoast Porsche drove around the infield in their black "TransSiberia" style Cayenne S, handing out water bottles to our PCA volunteers, and to appreciative track workers. Porsche of Melbourne had offered to provide a pace car for the touring laps, but that role was eventually bestowed upon professional drivers in PCNA press cars.

All attendees had a chance to drive new Caymans and Boxsters on an auto-cross track at the Cayman/Boxster Driving Experience, in the Speedway infield. A ten-dollar donation to Camp Boggy Creek was good for three laps of the tight little road course, two behind the wheel and one riding with an instructor from the Porsche Driving Experience.

If you are a Porsche fan who missed Rennsport Reunion III, mark your calendar now for Rennsport Reunion IV, the first weekend of November 2010. And hope that it happens!

Co-Chairman, PCA Activities Rennsport Reunion III

Porsches in the Park

St Armands Key
Sarasota, Florida

Saturday, December 15th

This is the fabulous show put on by Suncoast Motorsports each year. Last year approximately 100 Porsches of every year and model were in attendance. Our Suncoast Region arrived with a large number of cars to participate. The cars to be shown will be placed in the huge circle which is the hub of the St Armands Key. Your car can enter from 7:30am til early afternoon. So be sure to shine your Porsche and put it in the circle.

Now listen up! Suncoast Motorsports will provide food and beverages, snacks and music. There also will be vendors with their displays.

The cost --- there is no cost to you---
ITS FREE!

p.s. There will be a demonstration of how to prepare your car for a Concour d'Elegance. It will be a low key type of school.

Come on Suncoasters join the fun, enjoy the Porsches, shop and visit Starbucks across the street!
